Foreword

YOU ARE ABOUT to start your journey through the pages of the 1956 TIGER. The members of the annual staff are proud of it and hope you will enjoy it as much as we enjoyed working on it.

Our theme, you will notice, is taken mainly from one of our currently popular songs. In planning the book, a number of theme ideas were considered, but none of them seemed as appropriate as "Moments To Remember." This theme idea enabled us not only to bring back memories of our days at P. H. S., but also to combine a "calendar" theme with it; and the two together provide the framework for the narrative style of our TIGER. That is, we have

told our story just as the main events occurred throughout the year.

Our 1956 TIGER is the first annual in the history of Princeton High School to use the narrative style. We hope you will be pleased with this change in presentation, and that it will help you to recall the past school year more vividly.

And now, in closing, we, the editors, would like to express our deep appreciation to Mr. Kenny, our adviser, for the help and advice he has given to us. Our co-workers, too, deserve a big vote of thanks for their faithful co-operation and assistance throughout the past year.

Margaret Rose Black

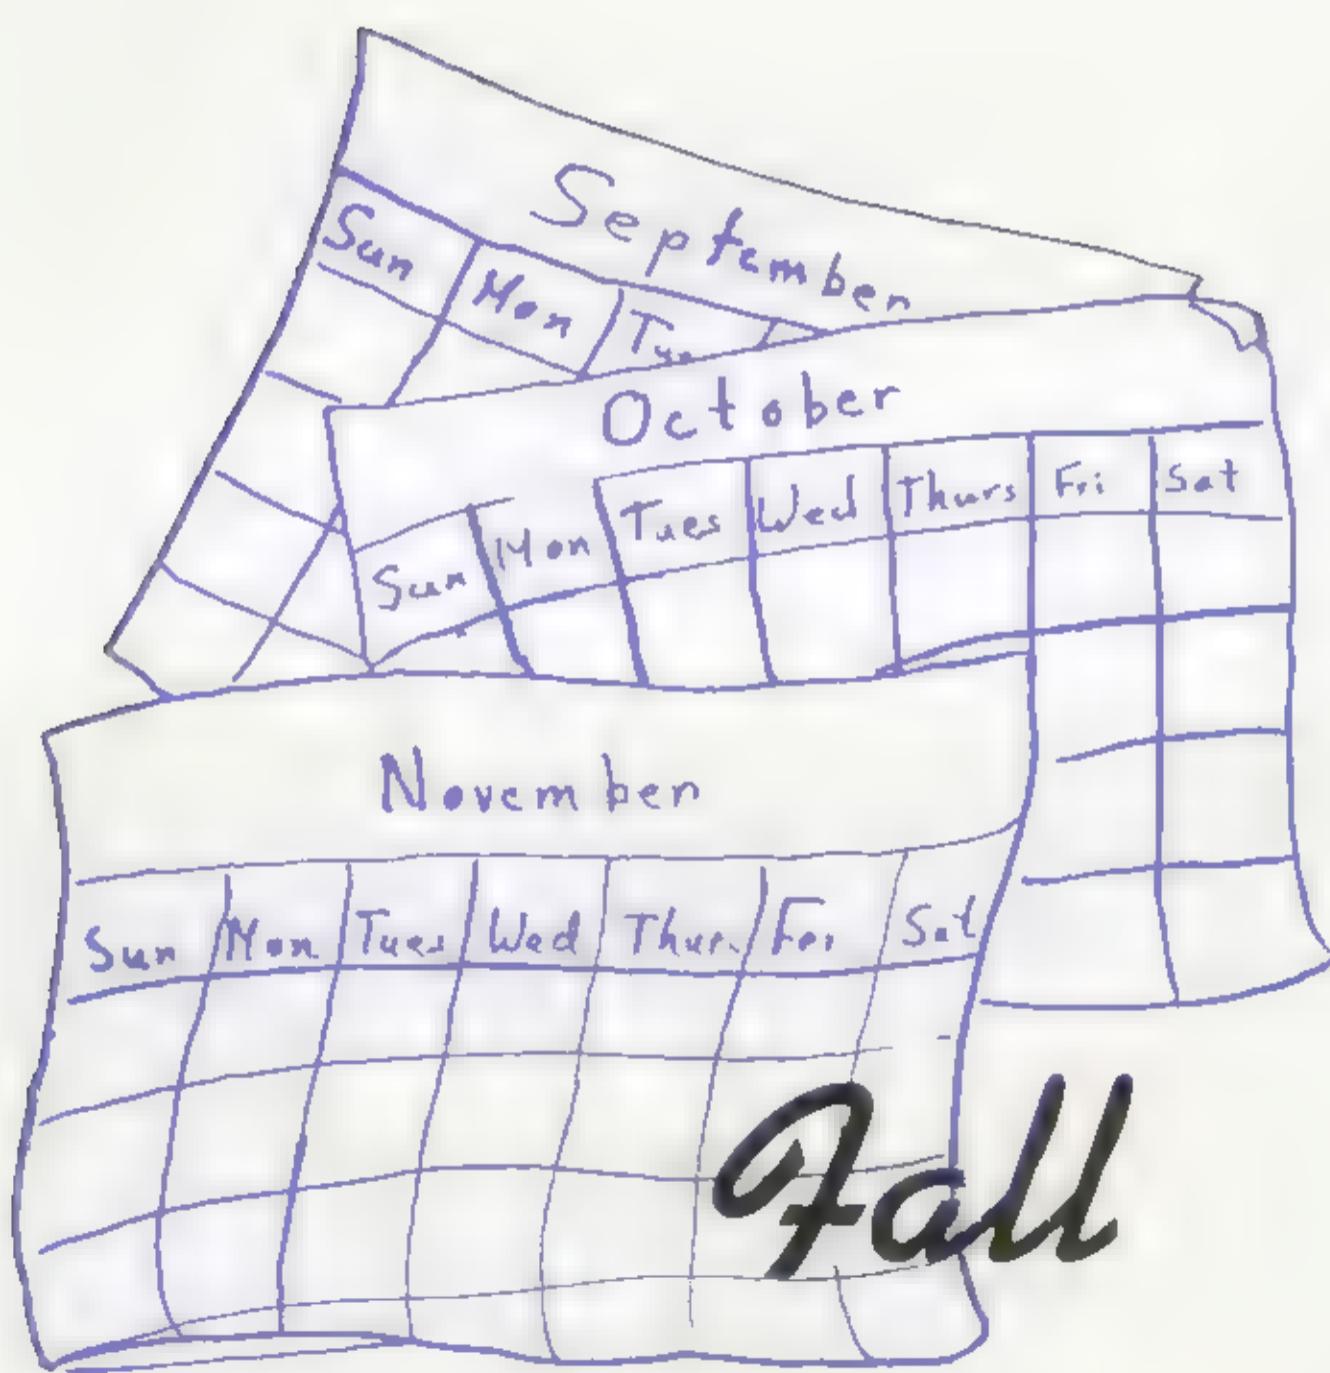

Remember . . .

As we seniors look back over the last four years, we think, first of all, of the fun we've had—with our class as a whole, and with our special friends. And we think in particular of Margaret Black.

Those of us who knew you, Margie, will always remember all the happy days we had with you. Remember our first "Thuse Day" when we had to carry all the seniors' books? And the fun we had the night of our sophomore banquet? The football and basketball teams never had to worry about not having spirit in the crowd when you were there.

And, Margie, we all want you to know what a fine example you set for us when you were called to leave us. October 10, 1954, was one of the saddest days any of us will ever remember, but you're always with us in spirit. So please, Margie, always come back—us—we'll never forget you.

SCHOOL BOARD

WE THE STUDENTS of P. H. S., wish to express our sincere thanks to the members of our school board. It is this fine group of men that always find the time to render service to our school and student body.

Mr. Charles T. Fawcett is the president of the school board. Its other members are Mr.

C. A. Markman, Mr. Harold Steele, Mr. James H. Lowry, and Mr. Miles W. Bryant

Without their efficiency and the time they devote to us, P. H. S. could not begin to function smoothly. Our thanks go to the Princeton High School Board.

Left to Right: Mr. Miles W. Bryant, Mr. Charles T. Fawcett, Mr. James H. Lowry, Mr. Harold Steele, Mr. C. A. Markman

MR. CHARLES C. HOLT

PRINCIPAL

OUR THANKS go to our principal, Mr. Holt for all the consideration he has shown us during our four years at Princeton High School. He has graciously given his time in order that we might straighten out our difficulties and plan our activities.

Mr. Holt began his "freshman" year at Princeton High School at the same time the Class of '56 entered. Our student careers at P. H. S. are ended, but we know Mr. Holt's tenure has only just begun. We wish him continuing success in his capacity as principal, counselor, and friend to Princeton High School students.

Our principal and faculty were ready to welcome us in the fall

COOKS AND CUSTODIANS

WE ARE VERY fortunate to have such excellent cooks to prepare our noon meals and special banquets. Mrs. Clara Walstrom, head cook, Mrs. Vivian Booth, and Mrs. Minnie Lange comprise this competent staff.

Our school is kept pleasantly clean by the school's staff of custodians. Mr. John Betz, Mr.

Bill Schultz, and Mr. Jack DeVore, known only to us by their first names, have this important responsibility.

We would like to express our appreciation for the work and time these men and women have put in so that we can take pride in saying we are from Princeton High School.

ON SEPTEMBER 6, 1955, thirty bewildered Freshmen entered Homeroom 104 (the best Freshman homeroom). It took us quite a while to get the swing of high school, but when we finally did, we decided to elect officers. Keith Rockey was elected president; Bill McDonald, vice president; Jim Peterson, secretary; and Judy Puttcamp, treasurer. From our room, Keith Rockey was elected president of the freshman class, and Jim Peterson was vice president.

We attempted to make a float, but spent most of our time at the "Shop" drinking cokes. The float was assembled in Ann Pullen's big garage.

We were proud to have had in our homeroom a second Joe Ruklick, Vern Magnuson. He played on the sophomore basketball team and did very well.

We've had fun in Miss Luchsinger's Homeroom 104, and hope the next year's class has just as much fun.

ONE BRIGHT SEPTEMBER morning we hurried into the school and headed straight for 109, which is the cafeteria, to see who our homeroom teacher was. We soon found out that it was a short young man with a crew-cut. This little man's name is Mr. Goble.

After he gave us our padlocks, we sat there trying to open them. We were making so much noise he told us to be quiet.

A few days later we elected officers. Gary Carter is the president of our wonderful home room. The vice president is Richard Eckdahl, and the secretary treasurer is Pamela Batson.

We hope we will have as much fun in the coming three years as we have had this year. We all agree Mr. Goble is a very fine homeroom teacher.

ON THE FIRST DAY of school, twenty-nine bewildered freshmen trudged into Room 105 under the teaching of Mr. Howard. When we finally got the swing of the big and strange building, we elected officers. Roger Josephson was unanimously elected president; Mickey Hult, vice president; and Bev Kasbeer, secretary treasurer.

When the time came for constructing a float for Homecoming, everyone gave time to make the float a big success. But it seems the judges didn't think it was especially outstanding, for we

received only honorable mention. But we were still proud.

As the year went on, we discovered many star athletes among the boys. They participated in football, basketball, and, of course, track. But we also found out we had stars among the girls, for Homeroom 105 had two of the three freshman cheerleaders for the Fresh Soph team.

While the year is coming to an end, all of us from Homeroom 105 hope that next year's class has as much fun, as we have had with Mr. Howard.

RUSH; RUSH; was all we did that important first day! It seemed as if all the freshmen were going to 109. We discovered it to be in the cafeteria, which contained two homerooms. Mr. Ott's and Mr. Goble's.

After we got used to our new environment we developed a few pastimes such as playing with our padlocks, talking about last summer's big events, and what classes we were in.

A few days later we elected officers. We elected Joellen Russell, president; John Bitterly, vice president, and David (Zeke or Peot) Roth, secretary-treasurer.

At the beginning of the year, our Freshman class had a hayride at Jim Peterson's. We had loads of hot dogs and hot chocolate.

We had one big problem this year. This was trying to decide what kind of a float to have. After several discussions, we finally hit upon an idea. We worked at Joellen Russell's house. We did pretty well on the float, considering the trouble we went through getting the chicken wire. We didn't get a prize, but we tried.

We had a swell time this year in Mr. Ott's class, and we all hope our next three years will be as much fun.

SOPHOMORES...

AT THE BEGINNING of the year, our homeroom started off like a rocket by having a picnic out at the City Park. Mr. Durham, our homeroom teacher, then suggested that we try to square dance. He later carried out this program. Then later on in the year, near Homecoming, we got the idea of our float, which won us first place in the Homecoming Parade.

was designed like a cabin cruiser representing smooth cruising for the Tigers

On the day that we got out for our Christmas vacation, we had a swell party with all kinds of cookies, fudge, and goodies

The officers of our homeroom were Jim Swanson, President; and Bob Kline, Vice-President.

THE STUDENTS from Homeroom 8 have spared no effort or themselves by singing Row Row Row Your Boat and Jersey Creek during free-time periods. Naturally the vocalizing was seldom done in the presence of a teacher.

The happy singers elected Nancy Newbury to be homeroom president. When she was not around, Bob Meeske took over as vice president. Bill Lane and Milton Neiman were secretary and treasurer.

When the homeroom was around there was competition to make Room 8S didn't win the prize for the best float but all of us were being when Nancy Newbury was around sophomore attendant.

Another few other homerooms could have been so orderly when there was a teacher around, yet sing so loudly when Mr. Gartner left the room. Mark my words, those kids had vocal talent.

SOPHOMORES . . .

THE BEGINNING of the year for Homeroom 111 was opened by electing officers to represent our homeroom for the year. Kenny Lutes was elected president; John Engstrom, vice president; and Merna Gammill, secretary-treasurer. The election took place in October. Our homeroom teacher was Mrs. Kann, one of the new teachers who joined our faculty last fall.

For homecoming we had a large sock with

the saying "At-Gyles Will Sock Em." Unfortunately, we did not place with our entry.

We had a Christmas gift exchange, and Mrs. Kann played Santa Claus with her Kleenex beard. The evening of December 22 we had an ice skating party at Alexander Park Pond. When we were tired of skating, we went to the home of Bob Dremann.

Besides these major events, daily life in Room 111 was interesting and fun.

HOME ROOM 111—First Row: G. Johnson, C. Fettow, M. Kimberley, R. Dremann, J. Engstrom, K. Lutes, M. Gammill, Mrs. Kann, K. Grace, I. G. Lund, M. Hanna, J. Holkins, A. Kieser, L. K. T. Second Row: G. OUR HOMEROOM 301, was a great place through somewhat disorderly when the teacher was out of the room. It seems there was always a big scramble for people's billfolds. Miss Wright, our teacher for homeroom, was very nice and wasn't too harsh with the disorderly ones (lucky them). Our officers for the class were as

follows: Fred Best, president; Marilyn Albert, vice president; and June Bradley, secretary.

Our float for the year was a very good one, but the judges must have had something in their eyes when ours went by. Funny thing, though they all had something in their eyes at the same time.

Even with a few "screwballs" in our home room, we had the best in the sophomore class.

JUNIORS...

HOMEROOM 303—First Row: W. Hopkins, D. Duffield. Second Row: B. Foster, J. Del Monte, J. Chelio, B. Conant, B. Espel, C. Fredrickson, C. Burton, R. Flagg. Third Row: S. Fuller, R. Hauf, J. Elliott, C. Culmeyer, M. Hubbard, D. Hubbard, W. Edwards, F. Holt. Fourth Row: Mr. Grace, R. Hasenauer, B. Dow et. Absent: M. Conley.

ON THE FIRST DAY of school in 1953, Mr. Grace's homeroom was filled with a group of "wide-eyed", just a trifle noisy, and terribly excited Freshmen. Two years have passed since that day, and once again Room 303 is housing us as Juniors. The group is not quite so "wide-eyed" as that first day, but they still make noise and are always ready for fun.

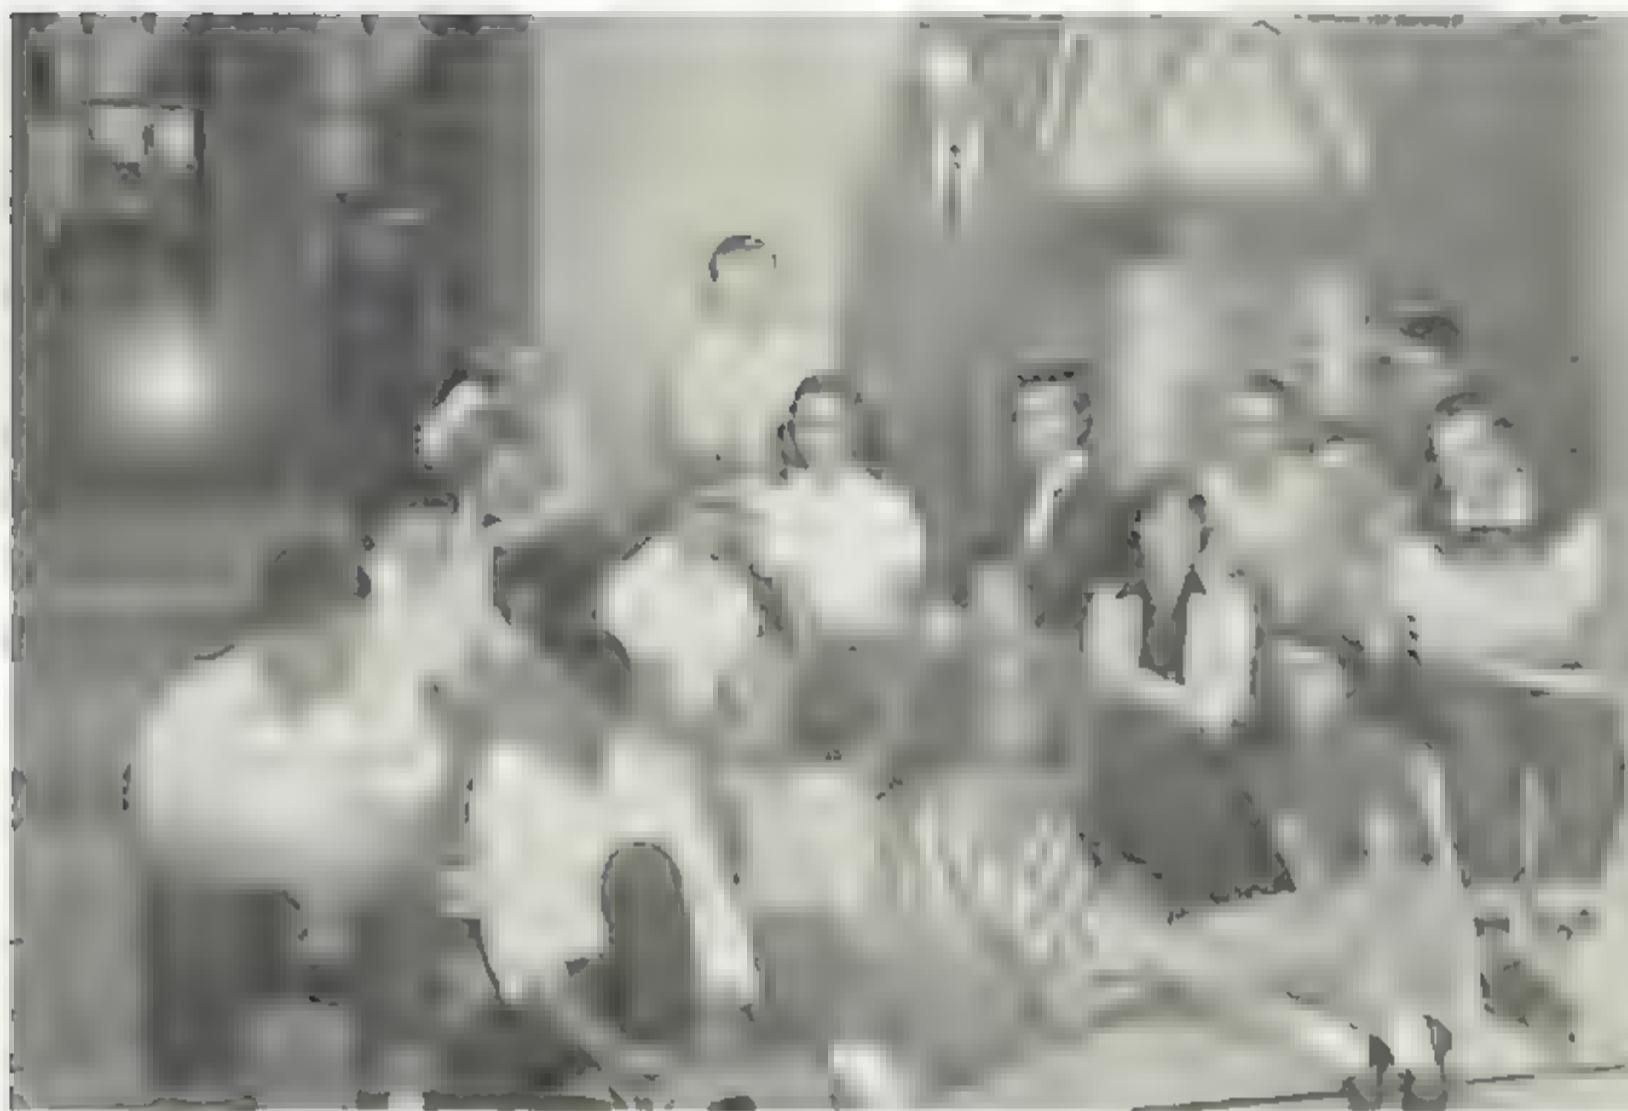

In office are Denny Duffield, president; Walter Hopkins, vice president; Judy Del Monte, secretary; and Dick Flagg, treasurer.

During the week of Homecoming, this homeroom worked industriously on its float and was

sure it was the best ever. The judges had a different opinion, however; but the group didn't object too strongly, since they had had so much fun building it.

Whenever a person enters this room, he is likely to hear a conversation going on in one corner among the boys about cars, and in another corner a group of girls are discussing the usual "girl subjects." Also in this room there is a celebrity—Walter Hopkins, Junior Class President. All in all, Homeroom 303 is a great one. If you don't believe it, just ask one of us.

... JUNIORS

HOME ROOM 204—First Row: R. Person, D. Larson, C. P. Enziger, L. Pannebaker, P. Nelson, P. Lawes, J. Lutz
Second Row: P. Opsal, K. Nelson. Third Row: B. Kitterman, L. Miner, S. Larson, G. Olin, F. Fultz. Fourth Row: D. Klinzenberg, F. Jorgensen, I. Nelson, Mr. Kenny.

GOOD OLD 204 was met, on the first day of school, by the same rioting crew that occupied it last year. Actually we were a very well organized group; for our homeroom teacher was Mr. Kenny, the annual adviser.

After the confusion of the first few days was subdued, homeroom officers were elected. Those lucky individuals to whom the ruling powers were given were: David Larson, president; John Nelson, vice president; Pat Lawes, secretary, and, last but not least, Pat Nelson, treasurer.

Our group project of building a homecoming float was fun for all. This masterpiece was concealed in David Larson's garage. It may have been concealed, but nearly everyone in P. H. S visited it. After many of these visits, our inventory of materials was found to have diminished. Even so, I guess we shouldn't complain; we probably borrowed the items taken anyway.

All in all, this school year has been a great deal of fun, sometimes at Mr. Kenny's expense. Don't YOU wish you were in our homeroom?

JUNIORS...

HOMEROOM 307—First Row: E. Bouxon, T. Caster, J. Vahl, B. Catheart, D. Best. Second Row: C. L. Brown, D. Gary, M. Anderson, J. Chase, R. Buschbeck, W. Bruce, M. Brown. Third Row: D. Chelin, J. Best. Mr. Sights Absent. S. Alicks, G. Wedestill.

THIS JUNIOR Homeroom started the year out by electing officers. The following people were the privileged ones: President Dale Chelin, Vice President Jack Best, and Secretary-Treasurer Mary Brown. The year really seemed to fly, and soon we were busy on our float. As usual, the idea was changed a few times before one was finally decided upon (nothing unusual for us). Unfortunately, all the hard work didn't win a prize (oh, well, there's always next year). We really had fun working on the float, for someone usually managed to get their car, and we visited the other float-makers when we were finished each night.

Our homeroom was in the science lecture room. Soon after the year had begun, Mr. Sights assigned special seats to us, far away from each other (wonder why). Luckily, he didn't make us stay in them. Sometimes a few ambitious people would study, especially when there was a hard test. The rest of us would just talk. (Unusual, huh?)

This year has been a lot of fun for us, and we have learned something. Of course, we are all looking forward to our Senior year at P. H. S.

...JUNIORS

HOME ROOM 209—First Row: J. Roggy, J. Sandburg R. Tornow, S. States, J. Yardley, J. Roordan, K. Sloan
Second Row: L. Sapp, R. Skaggs, J. Schwerer, B. Tolene, V. Simon, B. Speer Third Row: J. Smith, T. Wright,
M. Arentsen Absent: B. Small, M. Todd, P. Strunk, J. Wessel.

UNDER THE SUPERVISION of Miss Arentsen, a charming new addition to the P. H. S faculty, Homeroom 209 has really accomplished a lot. Homeroom elections resulted in naming June Yardley as our new president. The rest of her cabinet were Roger Tornow as vice president, Virginia Simon as secretary, and Leonor Sapp as treasurer.

At homecoming we succeeded in winning two of the big victories. Our float, "We're Expecting a Victory," won second place, and June Yardley was chosen as the Junior attendant to the queen. We were more than pleased, and celebrated our victory with a party at Paul Stunk's home.

We've certainly enjoyed our homeroom this year.

SENIORS . . .

OUR HOMEROOM reconvened in September in Room 202 with each of us automatically taking the same seats which we had occupied the year before. A few days after school started, Miss Ashdown, our homeroom teacher, was named Senior Class Adviser; so the class officers moved in. This made us the largest (and, incidentally, the best) senior homeroom.

We elected our officers during the first few weeks. They were: George "G. B." Glenn, president; John "J." Springer, vice president; and Ray "Sidlee, Suds, or Uncle Suds" Seidel, secretary-treasurer. Don Colombo was unofficially appointed sergeant-at arms.

For the fourth consecutive year, our efforts on a homecoming float went unrewarded. We had a good time building it, though.

Since our room was "headquarters" for most class activities, every member was usually hard at work lettering posters, sewing Christmas stockings, or paying for play tickets, peanut crunch, and fire extinguishers. Those who didn't chip in were few in number, due to the constant surveillance of Miss Ashdown.

All in all, we spent an enjoyable year which was a fitting climax to high school.

HOME ROOM 202—First Row, S. Kowalski, C. Thompson, D. Kelcher, D. Colombo, R. Freiburg Second Row, J. Simon, R. Bell, L. Nyman, S. Johnson, D. Coddington, C. Elliott, D. Penner Third Row, N. Hopkins, H. Opperman, E. Transou, J. Clay, P. Buhn, M. Smith, D. Swartzendruber, R. Brown, Fourth Row, N. Kaufman, C. Cathcart, J. Johnson Fifth Row, J. Springer, R. Seidel, J. Poltzbarger, T. OUR HOMEROOM has demonstrated high leadership in transferring rooms, students, and teachers. During four years of high school, we have compiled the following record:

Homerooms occupied . . .	3
Homeroom teachers . . .	4
Student transfers (in) . . .	4
Student transfers (out) . . .	5
Students dropped (out, of course)	7

Grand total of changes

There was only one club in the homeroom, but this wasn't organized to a high degree. The name of the club was "The Tissue Paper and Seat

Cover Club." It was founded while seven homeroom students were working on our float. The purpose of the club was never revealed, but gas stations seemed to have aided the purpose. The members of the club were Lawrence Cutsinger, Bill Tornow, Sandi Johnstone, Sharon Beams, Roberta Glenn, Pat Leftler, and Mary Jean Stratton.

Our homeroom has been active in music, athletics, school clubs, and academic achievement. We believe that we have accomplished some things of benefit, to us and to others, at Princeton High.

HOMEROOM 117—First Row: J. Zurnine, G. Vickrey, R. Deermann, L. Cutsinger, M. Covell. Second Row: M. Fuhr, M. Stratton, H. Hutchinson, S. Johnstone, S. Downey, Janet Kampf. Third Row: J. Brown, S. SENIORS . . .

OUR LAST YEAR at P. H. S. began with a bang. We were transferred from Mr. Grace's to Mr. Walters' homeroom, 114. When we finally got settled we elected officers. Bob Carlson, president; Alan Thompson, vice president; Karen Spencer, secretary; and Wayne Nickells, treasurer, completed the roster of officers.

Our homecoming float was an original one, but not good enough for a prize. We surely had fun putting it together in Mr. Walters' garage, though.

Every day a certain boy would sneak into the room several minutes after the bell rang, and he always managed to get caught.

On November 1st we had our first sing-along ever. It was a great success and we enjoyed it.

The stay at P. H. S. has been a wonderful one. We've had lots of fun, and we hope that everyone has had as good a time as we have had during the past four years.

HOMEROOM 114—First Row: D. Schmitz, K. C. _____, V. _____, A. Thompson, K. Eldert. Second Row: P. Caposki, T. Jacobs, S. Dobson, C. Ackerman, I. _____, D. Sandberg. Third Row: P. Swanson, R. ... SENIORS

TYICAL TALK in Homeroom 108 during the year concerned our tests and extracurricular activities. Before tests we would form small groups and try to decrease our common ignorance. In these little intellectual groups, we often hit upon facts which learned persons, our teachers, never knew existed; unfortunately for our test grades, they also refused to believe they existed.

After four weeks of work and horseplay, we assembled a homecoming float which was judged as third best in its class.

We in 108 were delighted that one of our members, Cheryl Ellberg, was Homecoming Queen. We were also proud of another outstanding student, Dick Unholz, who earned wide recognition for his achievement on a National Merit Scholarship test.

To fill the homeroom offices, we elected Curtis Hulteen, president; Wendell Foushee, vice president; and Cheryl Ellberg, treasurer.

The Senior Class Play was another important item of conversation among us especially since Kay Conner, Bradley Pihl, Linda Crabbs, and Joan Farley had leading parts.

The 108 seniors gratefully acknowledge the instruction and friendship of Miss Fry, as classroom teacher and especially as homeroom teacher.

There were many happy moments in Homeroom 108 for us, and we will long remember them.

ATHLETIC

STAFF

COACH DON SHIEFFER

Athletic Director

THE ATHLETIC GROUPS at Princeton High were under the supervision of an excellent coaching staff. This staff is led by Mr. Don Shieffer, the athletic director. Mr. Shieffer's duties include these positions: head basketball coach, assistant football coach, director of all sports (both inter-school and intramurals), and director of the physical education program.

Mr. Lyle King was the man who held the wheel of this year's varsity grid team. He was also the sophomore basketball coach. This was his first year at Princeton, and he has earned the respect of players and football fans alike.

In the past, Mr. Jesse Durham has been assistant to many coaches; but this year he was named head track coach. Princeton's cindermen can be thankful for his help and well organized season.

Mr. Paul Goble was the fresh-soph football coach and freshman basketball coach. Boys on the teams he coached admitted him for his hard work in their behalf.

Last year Mr. W. C. Ott ended a brilliant coaching career by earning a place in the State meet with his track team.

GET SOLID, BOY!

IN LATE AUGUST, a "bunch of guys" met on the football field. For the first time, they met the new coach, Mr. King. For two weeks thereafter they practiced morning and afternoon. At the end of this time, they shaped up pretty well. Then the big day came, September 16.

The Walnut Raiders invaded Princeton. Walnut took the opening kick and failed to gain. They punted to the Tiger thirty-two yard line. In fourteen plays our team marched sixty eight yards with Don Hanson finally skirting around end for fourteen yards and a touchdown. In the second quarter, the Tigers had their backs to the wall; but they punted out to the thirty-four. Walnut drove then to the twelve, but a brilliant goal

line stand stopped them. The third quarter was nothing but a punting duel, with Princeton taking over on their own thirty-two at the end of the period. A pass from Kelcher to Carlson set up the next Tiger touchdown. Then Kelcher went over from the three. Walnut had no more than received when Princeton was again knocking on their door. With a blocked kick, the Tigers gained possession on Walnut's thirty-eight. In four plays, they scored again. All three extra points were missed. As the game ended, Princeton was marching toward another touchdown on Walnut's thirty. Final score: Princeton 18, Walnut 0.

The victory over Walnut gave the Tigers con-

sidence, and they practiced harder the next week. Again Princeton was invaded, this time by a team the Tigers had never played before—Pittsfield. However, the Tigers felt ready for them. Since Pittsfield is rather distant, this game was played Saturday night. The first half was slow for the Tigers. Throughout the first period, the two teams seemed evenly matched. Then an exchange of punts set the Tigers back on their twelve yard line. A quick kick gained twenty-two yards, giving Pittsfield possession again. In four plays they scored, but their PAT failed. Shortly afterwards following a pass interception on their own forty-eight, Pittsfield marched fifty-two yards to score. Again their attempted plunge for the extra point went for nothing. Late in the second quarter, Princeton scored. Putting the kick-off in play on their own twenty-six, the Tigers went all the way in seven plays, with Hanson going the final thirty-three yards on an end sweep. The PAT was good, making the halftime score 12 to 7. In the third period neither team threatened. Then Princeton started rolling. With the aid of good blocking from the line, the Tigers drove to Pitts-

field's twenty-five before losing the ball. However, the Tigers recovered a fumble with a little time left. They filled the air with passes, but none were good for tallies. Final score: Pittsfield 12, Princeton 7.

By the time the next Friday rolled around, the Tigers' wounds were healed. This time they took to the road and landed in Rochelle. It was in this game that Hanson broke his thumb. Each game gave the Bengals valuable experience. This together with fine coaching, made them tough contenders. The first period of the Rochelle game was a slow one marked by frequent punt exchanges. Neither team threatened until the middle of the second quarter. An unusual punt recovery set up the first touchdown. Princeton punted from its own thirty-three. The ball hit a Rochelle player, and Webster recovered it on the Hubs' forty-five. In nine plays of hard blocking and running, Nickells found himself in a position to go off tackle for ten yards and the tally. The PAT was good. Rochelle then took the kick off

and marched sixty eight yards to score just as the half ended. Rochelle took the second half kick off and moved to the Princeton thirteen, where they were stopped. Three plays later Rochelle recovered a fumble on the seventeen yard line. Princeton held again. In the fourth quarter Princeton punted to its own thirty-three. Then Rochelle passed to the four yard line and scored on the next play, thus taking a 13-7 lead. The Tigers came right back, however, and scored. But Rochelle scored the game-winning touchdown with very little time left to play. Final score: Rochelle 20, Princeton 14.

Again Princeton took to the road, this time for Hall's homecoming in Spring Valley. The Tigers were really fired up for this one. They started things with a roar. On the second play of the game, Kelcher threw a pass that was good to Hall's thirty-three yard line. Then in four plays a touchdown was scored with Freeburg going over from the one. The extra point attempt was blocked. Hall received the kick-off but could not gain any yardage. They lined up to punt, but the ball went sailing over the kicker's head, and he was finally trapped on his own twenty-two. One play netted five yards for the Tigers, and on the next play Nickells raced the remaining seventeen yards for the score. Again Hall blocked the kick for extra point. Hall received. The Tigers were completely surprised when Hall broke out with a single wing. Little by little the Red Devils mowed down the field until they scored. Their

PAT attempt was blocked. Hall received the second half kick-off. An exchange of punt blocking ended with Princeton's getting the ball. A penalty took the ball to Hall's sixteen. Then Smith went four yards off tackle for a score. The extra point was missed. Hall retaliated by marching down the field and scoring—and also missing the extra point. Both sides battled during the rest of the game, but neither team hit pay dirt. Final score, Princeton 18, Hall 12.

Now with a lot of experience and much more confidence, the Tigers moved to Rock Falls. It was one of the oddest games of the year. Following an exchange of punts, Rock Falls took over

on their own forty-four yard line. Several plays got them to the fifteen, and a pass got them a score. Princeton began to play good defensive ball. When Rock Falls got the ball and started on another drive, they were halted before they got too far. Princeton picked up its only score with a safety in the third period. Rock Falls got the ball on their seventeen and were penalized to the two. Then the whole Tiger line broke through and tackled the ball carrier behind the goal line. The rest of the third quarter and most of the fourth saw almost nothing but the exchange of fumbles and punts. Then Rock Falls kicked into the coffin corner and left Princeton on the one

yard line. Freeburg went back to kick, but an opposing player broke through to block it, giving Rock Falls a safety. The game ended a short time later with Rock Falls in possession. Final score: Rock Falls 9, Princeton 2

Then the big game finally arrived. Home coming. The Tigers were fired to fever pitch for this game. More than any other game, this one was a "must" to win. Don Hanson, regular full back, returned to action for the first time in two weeks. Freeburg was out with a hand injury and was replaced by Smith and Unholz. Engstrom moved up to quarterback. Kelcher went to guard, and Seidel moved to center. Neither team could score in the first period, though Geneseo moved to the Tigers' twenty-one, their deepest penetration of the night. In the second quarter, the Tigers recovered a fumble on their forty-four, and scored in two plays. Nickells booted the extra point. Brilliant defense sparked the Tigers all through the game, with Hulteen, Mecum, Seidel, and Hanna doing outstanding work. In the third period, the Tigers struck again, this time for sixty-nine yards in eleven plays. Smith scored on a ten yard run. Again Nickells converted. In less than a minute, the Tigers tallied again. Geneseo failed to gain, and on fourth down their punt was blocked. Center Ray Seidel latched onto it and ran thirty

yards for the touchdown. Nickells kicked and made the extra point. Later on the Tigers threatened again, but a pass interception broke up the attack. Final score, Princeton 21, Geneseo 0

Princeton did not have much time to celebrate because the rugged Mendota Trojans were coming to town on the following Friday night. For that game, the ground was very muddy and it was raining. It was just one of those bad nights. The Tigers could not get started. Mendota scored in the middle of the first quarter in eleven plays. On the first play of the second quarter, the Trojans put a Tiger punt in play on their own thirty-four. In a crossback, they ran sixty-six yards for a touchdown. A long kick plus a penalty left Mendota on their own two. A punt gained them sixteen yards. Then a pass from Engstrom to Webster scored Princeton's only touchdown. The conversion attempt was made. With very few seconds left, Mendota scored again. They ran the kick off back to the Tigers' twenty-five and scored in two more plays. The Tigers did not give up. Mendota scored twice in the second half, once in each quarter. Mendota received a Princeton fumble and scored in eight plays for one counter. For the other, Smith first intercepted a pass and then Princeton punted. Mendota took the ball and ran it all the way back for six. The Tigers blocked

the extra point effort. Final score: Mendota 34, Princeton 6

In the game following the trouncing by Mendota, the Tigers were still a little shaky. Again they just could not "get going." Nickells and Hanson were the only Tigers to make yardage. Dixon's Dukes held the Tigers well in check. However, Princeton did manage to reach Dixon's four yard line before being thrown for losses. The first period of this game was a scoreless kicking duel. Finally Princeton got off on a sustained drive. They moved from their own thirty-four to Dixon's thirty-four before losing the ball. The Dukes took over on their twenty and marched down the field for a TD. The conversion attempt was blocked by Coddington. In the third period, an exchange of fumbles left the ball on the Tigers' fifteen with Dixon in possession. In five plays they scored again. The PAT was wide. Then Princeton started its best drive. They reached the four, only to start losing ground. On fourth down Engstrom passed to Webster, but it was intercepted and run back for a TD. Hanson blocked the kick for extra point. In the closing minutes Princeton filled the air with passes in an effort to score once, but they lost the ball. Alan Seidel intercepted a pass, but time ran

out before the Tigers could capitalize on it. Final score: Dixon 18, Princeton 0.

The highlight of the football season came when the Princeton Tigers trounced the Kewanee Boilermakers on the Kewanee field. Everything the Tigers had learned all season they used that night. Everyone worked together to produce clock-work smoothness. Princeton out-ran, out-took, and out-sparked Kewanee all night long. If Kewanee tried to start a drive, the Bengals choked it off. John Smith romped 122 yards for the night. The Tigers drove down to the eight in the first quarter, but Kewanee held them with the aid of a fifteen-yard penalty. Midway in the second quarter, the fighting Tigers threatened again. They moved to the one, and Nickells dived over for the touchdown. The conversion was good. A long pass and a fumble by Kewanee gave Princeton the ball on their own eighteen. Two plays later, Smith went seventy-eight yards for the second Tiger touchdown. The conversion was good again. In the third period, Kewanee started a drive; but the Tiger defense stiffened and stopped it. When Princeton got the ball, Hanson raced forty-one yards for the Tigers' third, and the final touchdown of the year as well. Again Nickells conversion was good. In the

fourth period, Coach King sent in the reserves; and Kewanee started to move the ball. However, before they had gone too far, the regulars went back in and protected the Princeton goal. Kewanee filled the air with passes, but to no avail. Then the game ended. Final score: Princeton 21 Kewanee 0.

The Tigers ended the season with a record of four wins and five defeats, and some of those games could have gone the other way. The Tigers were very good sportsmen. In fact, the opponents more than doubled their penalties. The Tigers of 1955 were emphatically a credit to the school.

THE PRINCETON KITTENS under the excellent coaching of Mr. Durham started out the year by winning over the Kewanee Riveters, 6-0. The touchdown was made by Richard Johnson in the last 14 seconds of the game. The team was now on its way to an excellent year of football.

The next team was a conference team, the Rochelle Hublets. This game was to be the most exciting one of the year. Both teams had plenty of spirit, and the game ended 13 to 13. The Kittens' spirit was still in good running order, and they next met the Hall Red Devils with plenty of spark. That game ended 13 to 6. Princeton Princeton was in a winning streak until the Rock Falls game, where they met their first defeat, 6-0.

That loss, however, was the big spark that set

Princeton afire. The night of the Homecoming the fiery Kittens walked over the Geneseo Maple Leafs, for a final score of 40 to 0. Next came the Mendota Trojans, who usually have a good team, but when the night of the game came it was raining, so the game was postponed.

The Kittens next game was with Dixon, and the team put up a great fight, only to lose 13 to 6. So far the Kittens had beaten Kewanee, Hall and *Geneseo. They had lost to *Rock Falls and Dixon, and tied *Rochelle. Mendota came next. It, too, was a conference game, and the team was out to win and did. The Kittens really "put out" and scored twice to the Trojans' none. The game ended 13 to 0. This ended the season for the Kittens. The scores clearly show that the Kittens had an excellent year.

QUEEN
CHERYL ELLBERG

HOME COMING

ANTICIPATION of Homecoming began about two weeks before the actual day arrived. Each homeroom tried to create a float that would stand out above all the rest. Every night members of each homeroom assembled in a supposedly secluded hideaway to work on their creations. Of course, being fun-loving students, we didn't spend all of our time on the floats. In fact, much of our time was spent in contriving ways and means of putting off the work. Nevertheless, the floats were completed on time, to the satisfaction of all concerned.

Meanwhile, on the football field, in the evenings, a team of another sort was preparing for action on Homecoming night. This team? Why

of course, the band. The results of this hard work were as rewarding as those of the game. In conjunction with the band, the Tigerettes were practicing for their unique part in the half-time festivities.

At last, the actual day arrived in a blaze of fall glory. Following tradition, school was dismissed at noon. By this time the excitement was so great that no one could study. No time was lost in dashing to the "hiding places," and soon the streets were filled with our "work of art." After a seemingly long wait, everyone was ready to begin the long journey down Main Street. There were a few anxious moments before the parade began because one of the convertibles to

(Continued on next page)

arry the queen's court was late in arriving. It
seems this committee was asked just before
the session opened to present the Committee to
Mr. Kenny!

The policeman's whistle blew and finally the long-awaited moment was here. The Tigerettes, in their new Scottish Kilts, took the lead. Next came the cheerleaders, pep girls, and the band. By this time the pretties were flying through the air as P. H. S.'s football band was on the way. The newly decorated masterpiece was slowly taking the lead as it made its way down the crowded street. The Queen and her court were borne majestically in the flashy new convertibles.

The rally followed the park cleanup and was held at the south end park.

The highlight of the day arrived. There was tension in the air as Princeton's football fans gathered at Bryant Field for the homecoming game. A voice with a very off-key tenor, the seniors, laden with beautiful mums, hustled through the stands eagerly soliciting the fans to purchase their floral decorations.

After two grueling quarters of play, half-time arrived. There was a wild round of applause.

as Mr. Kenny announced the winners of the
Contest. Congratulations to first place win-
ners, Mr. Danner's Home room 107 second
place winners, Miss Arentsen's Home room 209
and third place winners, Miss Fry's Home
room 108.

The band played "Girl of My Dreams" as the
bride, Mrs. Helen Queen Cleary, Edna
McGinnis, and Dixie Luttrell, June Yost, Mrs.
Newbury, and Jeanne Coulter were escorted down
the aisle by the Legion. Cleary was
followed by Sister Cass, President Dick Feller,
and was presented with a bouquet of roses.

The band's practice was not in vain as they performed marvelously to the thrill of all. The Big Little Song will too and were especially terrific in "Seventeen" and "Yellow Rose of Texas.

The motif of the Homecoming dance was "Rock Around the Clock," Paul Russell's band terked the usual attire. There was a huge turn-out, and a swell time was had by everyone.

All in all, the events of 1956 Homecoming were a gigantic success and filled with moments that we will always remember.

TACHER FOR A DAY is an event well appreciated by the Senior Class as well as the underclassmen. Early in November (on the 2nd) is the time when the teachers gladly relinquished their unchallenged "thrones" for a brief rest. This transition from professional teacher to sapling seniors is undergone with little signs of confusion. Of course, the teachers have no difficulty in retiring to the back row to sit in critical observation of their protege.

This event has been carried out annually now for several years and affords the seniors an opportunity to have an experimental glimpse at the teaching vocation. Aside from the enjoyment, the seniors gain a greater respect and appreciation for their instructors.

Teacher for a Day is sponsored by the Na-

ional Honor Society. The seniors who want to participate indicate on a list their first, second, and third choices of subjects. The National Honor Society then assigns these seniors to the various classes. Some seniors are given two classes. The fact that so many seniors participate attests to the popularity of the program among the seniors. The underclassmen also enjoy it since it's a departure from routine.

Assignments are prepared by the teachers a few days in advance. Most seniors pick up their work promptly, but there was one person who went around to two teachers' homes to get his assignments on the eve of the event. I know because it was me. I mean it was I'

None the less, this brief entrance into the teaching field proved interesting and gratifying.

SENIOR CLASS PLAY

THE WONDERFUL cooperation of the entire Senior Class, and the fine direction of Mr. Hugo Gartner, made our senior class play, "What a Life," a great success.

Miss Eggleston (Karen Spencer), Henry Aldrich's homeroom teacher, sends Henry (Hal Opperman) to the office. This is the beginning of Henry's troubles. He is greeted by Miss Shea (Joan Farley), secretary to Mr. Bradley (Bradley Pihl). Mr. Bradley instructs Henry to have a seat until Mr. Nelson (Richard Brown) can see him.

Mr. Vecchitto (Dennis Keleher) is also in the office concerning his daughter Mary.

Two of the teachers are: Miss Pike (Diane Coddington) and Miss Johnson (Louise Josephson). Several of the students are played by: Paul Swanson, Nancy Hodkins, Carol Jean Perry, Nancy Sutcliffe, Frances Gapinski, Richard Coddington, and Allan Thompson. Another student, Gertie (Pat Buhn), is selling tickets to the dance, and Henry promises to buy two.

Barbara Pierson (Kay Conner) comes into the office. Henry asks Barbara for a date for the

dance. Barbara says she already has a date with George Bigelow (Ray Seidel). All at once Bill (Richard Unholz) comes rushing into the office and says he must see Mr. Bradley at once.

Miss Wheeler (Mary Margaret Smith) comes in to report that the band instruments have been stolen. Mr. Ferguson (Kent Eldert), a detective, is summoned to discover the culprit. Mrs. Aldrich (Linda Crabbs) comes to see Mr. Bradley about her son's grades. She talks with Henry concerning his misdemeanors. Henry denies his guilt and in the same breath asks his mother if he may go to the dance. Mrs. Aldrich insists that first he must make the highest grade on the test in his class, taught by Mr. Patterson (George Glenn).

This is the scene confronting the audience after the first act of the play.

After all the excitement has been unscrambled, it is found that George Bigelow stole the instruments, and Henry is expelled for cheating on the examination; but he finally gets to take Barbara to the dance.

F. H. A.

THE FUTURE HOMEMAKERS of America is an organization of high school girls who are interested in furthering home economics. These girls must have had home economics for at least one semester at either seventh grade or higher level. This year F. H. A. has had two meetings a month and one or more social events each month.

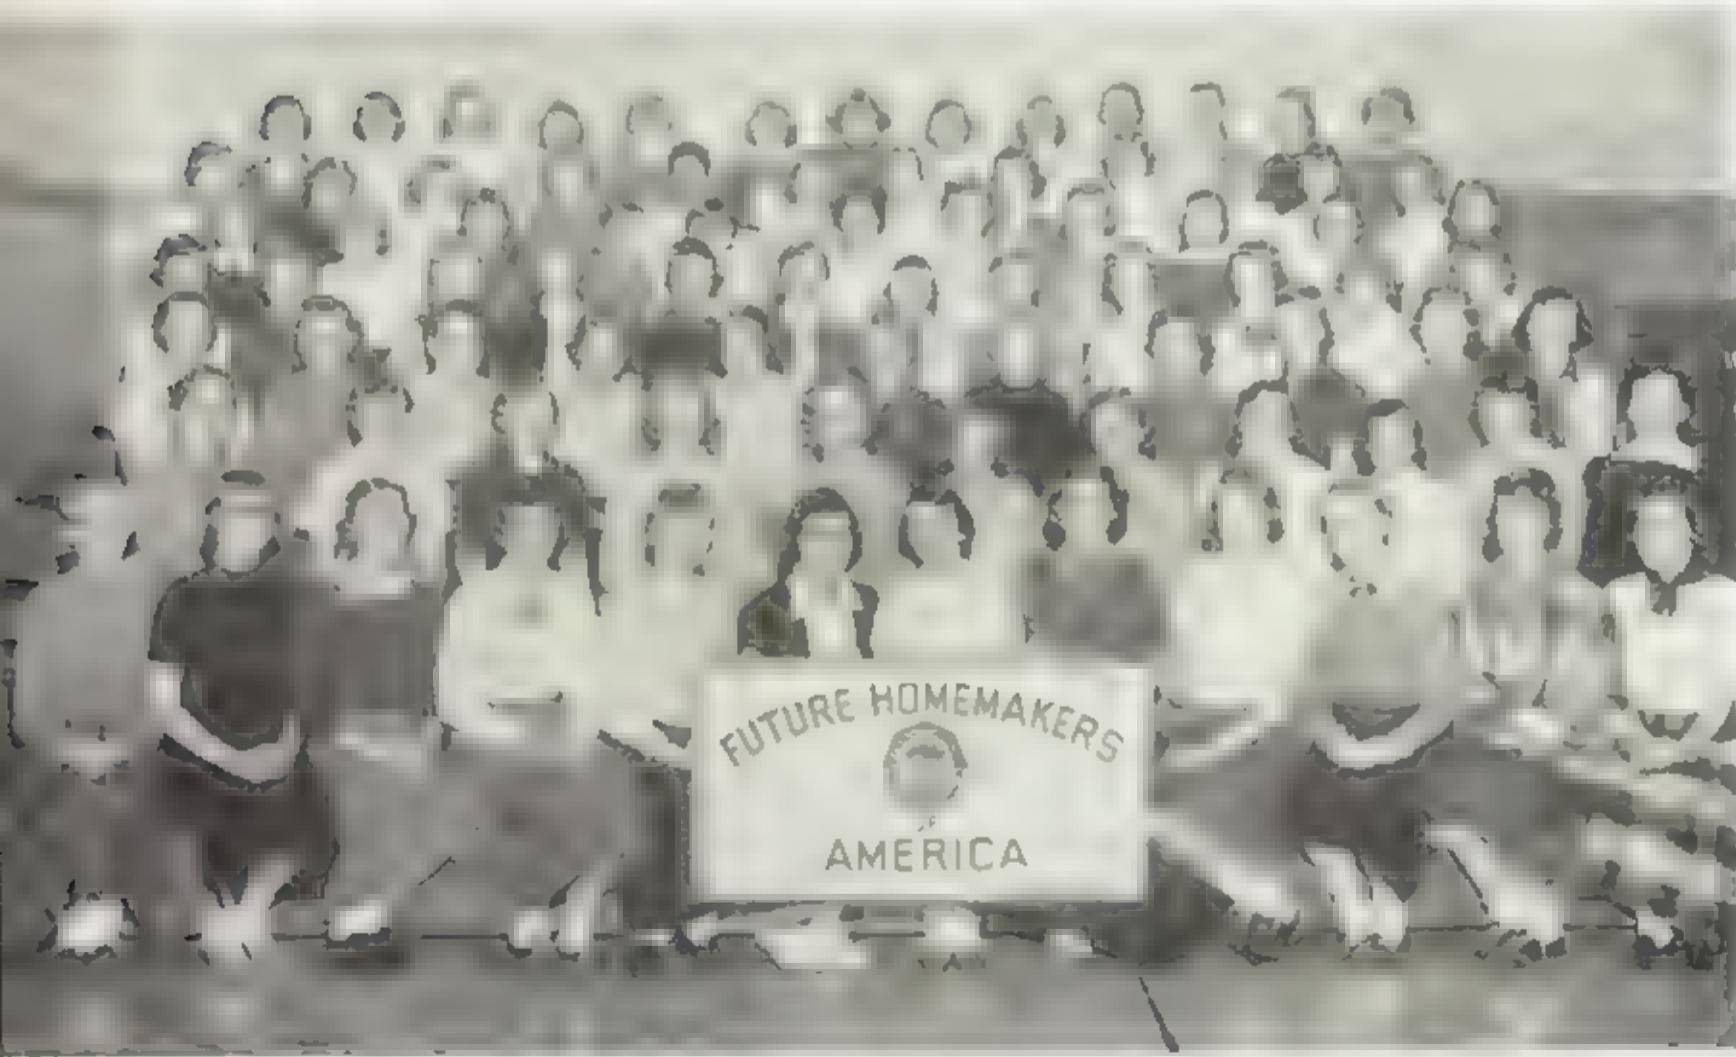

In September we started the year with a coke party for the freshmen. The next month the officers roused the members from their beds to bring them to school for breakfast.

In November we celebrated National F. H. A. Week by doing something every day of the week. In December we trimmed the school Christmas trees and gave a party at the Children's Home. In

January we entertained our families, and in February we initiated our new members. In March we had a dance for the whole school, and in April we had a skating party. We closed the year with a Mother-Daughter Banquet.

The F. H. A. officers for this year were: Janice Brown, president; Jean Wessel, vice president; Judy Del Monte, secretary; Mary Brown, treasurer; June Chelin, reporter; Marilyn Yepsen, historian; Karen Rici, degrees chairman; Shirley Stites, points chairman; Elaine Bell, song leader; Helen Hutchinson, recreation chairman; Carol Ackerman, projects chairman; Barbara Speer, parliamentarian; Mrs. Mary Jane Goble, faculty adviser; and Mrs. L. Rici and Mrs. S. Johnson, chapter mothers.

F. F. A.

HERE ARE THE Future Farmers of America. It is an organization that reaches from the state of Washington to Puerto Rico, and the state of Maine to Hawaii.

This past year there have been several activities carried out by the F. F. A. Late in September the officers attended a training camp at Camp Hamburg on the Mississippi River. In October the same group attended the National F. F. A. Convention in Kansas City. They were accompanied by their adviser, Mr. Gossett, and enjoyed a very pleasant trip.

Next came the trap shoot held at the Princeton Gun Club. This event was won by Paul Swanson. The annual rifle shoot was held at the rifle range. In January a skating party was held, and everyone enjoyed it.

The annual F. F. A. Banquet was held in

March, and the F. F. A. Stag was held in the last part of May. As in the past, Mr. Gossett will take the top three point winners to Minnesota for a fishing trip.

During the second semester, the junior and senior Ag. class was studying cash and future market. Then in the spring Mr. Gossett took the class to Chicago to the Board of Trade Building. There the F. F. A. boys saw how grain was bought and sold, and many other interesting things.

Nine new members were added to the chapter when the freshmen were initiated as green hands.

The officers of this organization are David Larson, president; Terry Jacobs, vice president; Gene Scott, secretary; David Swartzendruber, treasurer; Ray Phillips, reporter, and Robert Espel, sentinel. The motto is "Learning To Do, Doing To Learn, Earning To Live, Living To Serve."

BAND

THE P. H. S. BAND started things rolling this year by playing at the Bureau County Fair. We had better luck than last year. It didn't rain at all, a big change from 1954.

When school started, the band was arranged a little differently than it had been previously. It was split into two large groups. This enabled the groups to be balanced without having too many in each class. When a final count was made, we found that we were over a hundred strong.

This year, at the opening of the football season, the P. H. S. Band was host to the Walnut High School Band during the half of the Princeton-Walnut game.

A Homecoming parade would not have been complete without a band to lead it nor would any Homecoming football game be complete if there were not good entertainment at the half.

The P. H. S. Band managed to handle these two jobs magnificently with the help of a crack drill team dubbed the "Tigerettes."

A number of us had the privilege of going to Rock Falls to attend the annual North Central Music Festival. It was indeed an event that will be remembered for a life time.

Ten of us formed a dance band during the summer and played for several dances. It was a lot of fun even though there wasn't any money involved.

As usual, the Band went to greet Santa Claus. It surely was cold, but we managed to keep warm by playing our horns.

Our concert was given on April 27.

Finally, on Memorial Day, the seniors walked the last mile" as others had done before. This time they bade farewell to the P. H. S. Band for good. Truly, we will all have many "Moments To Remember" about the Band at P. H. S.

THE TIGERS, losing their Mighty Five—Rucklick, Flinn, Hult, Mulally, and Finn—had only two returning lettermen. Long and hard drill was ahead for the future Bengals.

To overcome the lack of experience and height would almost be impossible; however, Princeton met St. Bede on the twenty-second of December and dropped their opener, 67-42. The Bedans, avenging their previous year's game, simply overpowered the Tigers. Bill Small paced the Bengals with 10 points. The following Friday the Tigers met Kewanee in Princeton and dropped a 57 to 18 game. Larry Scott scored 29 points for Kewanee. Again Bill Small paced the Tigers' attack, with 17 points this time. Dennis Keleher followed with 16 for Princeton.

The Tigers won their first game the next Tuesday as they downed Henry 56 to 50. Henry led at half time, but the Tigers refused to be defeated and fought back to win. Small came through with 13 to lead the Tigers to victory. With one win under its belt, Princeton subdued

Mid-County 64 to 47. That young man, Bill Small, again led the Tigers with 26 points.

Leaving Princeton for their first out of town game, the Tigers visited Morris. The game was a nip and tuck affair with the Tigers leading at the end of three periods, 37 to 36. Morris outscored the Bengals in the last period by three points, to win 46 to 44. Princeton held Morris's ace, Ferguson, to 16 point. Small had 20 for Princeton.

Back at Princeton the next Tuesday, Princeton met Marquette of Ottawa. The Tigers fell way behind, 19 to 5, at the end of the first quarter. Fighting back, they outscored Marquette by 7 points in the next two quarters; however, the Tigers couldn't overcome the big first quarter deficit and dropped the game by a margin of six points, 54 to 48. Small scored in the double figures with 18, and John Smith followed with 8 points.

Thus far the Tigers hadn't played a conference game. On December 12, the Mendota Tro-

Jans visited the City of Elms. Princeton opened fast in the first quarter to take an advantage of four points, 17 to 13. Maintaining this advantage, the Tigers led at half time, 31 to 27. The third quarter was nip and tuck with first one team and then the other surging ahead. The game was all knotted up at the end of regular play; however, David Larson had been fouled just as the buzzer sounded. Dave missed the first of a one and one to send the game into overtime. The Tigers failed to score in the overtime period as the Trojans scored a bucket. The final score was 63 to 61. Small had 26 points. David Piper, sophomore center-forward, played a fine game, scoring 13 points.

Devastation struck as the Bengals traveled to Rock Island to play Alleman. Alleman powered over the Tigers, 87 to 34. Small and Piper again were one-two for the Tigers.

During the holidays, the Tigers entered the Marquette Holiday Tournament as defending champs. Playing Marquette for the second time,

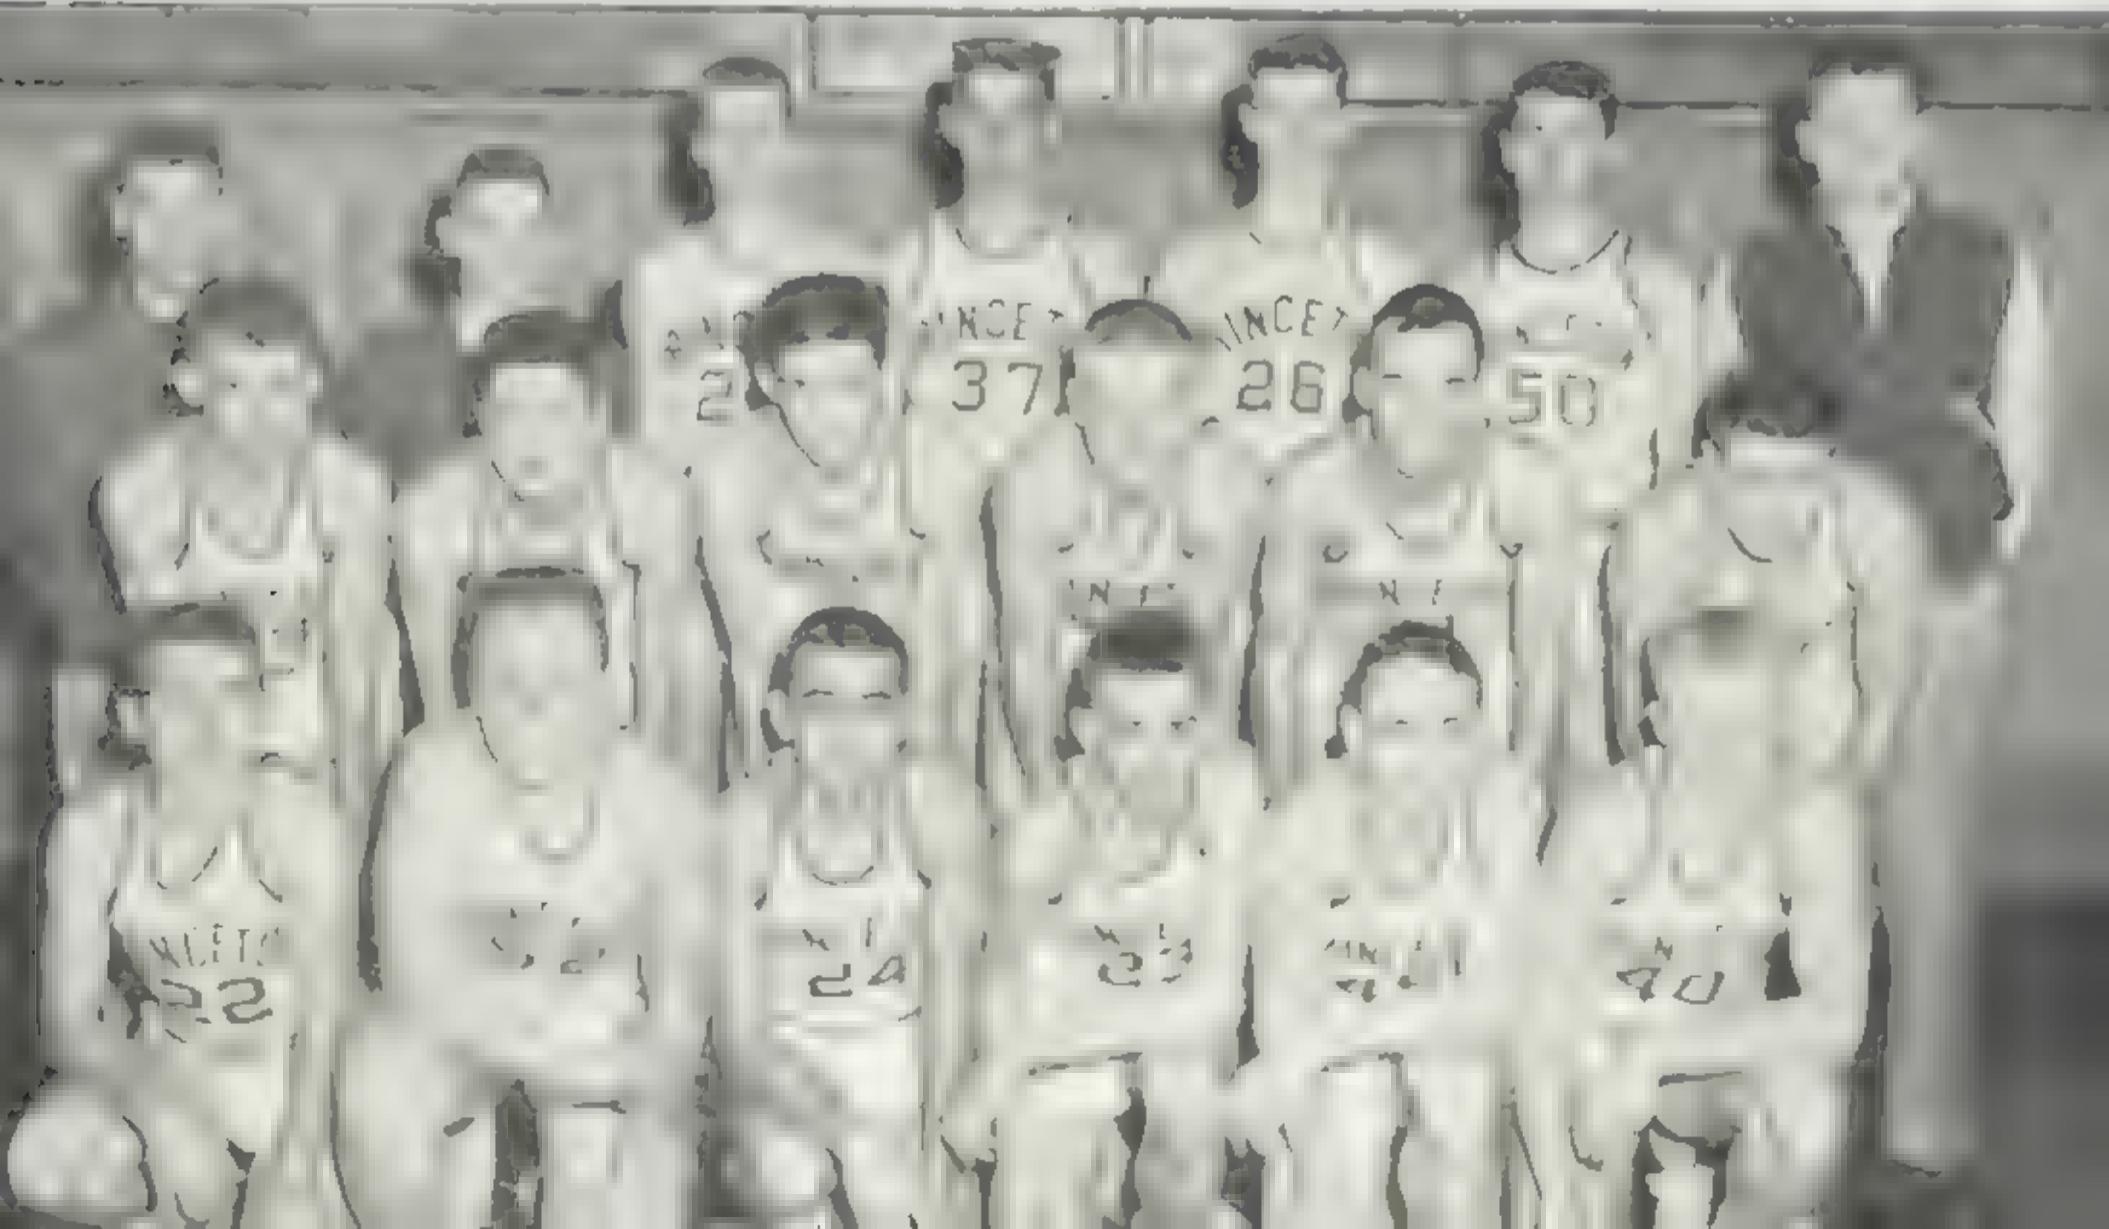

the Bengals repeated their earlier game with Marquette. Again Marquette surged ahead during the first quarter with the Tigers coming back later in the game; again the Tigers found themselves too far behind to catch up. Marquette was the victor, 66 to 47. Small and Larson both hit in double figures, Small having 14 and Larson 13 points. In the second game of the tournament, the Bengals regained their winning form by tripping Leland, 68 to 61. The Tigers then faced DePue for consolation honors. The Tigers were really

red posterity. During the first quarter Princeton led 10 to 8 and stayed ahead, 19 to 10 before DePue Bengals retained an advantage of seven points going into the last and final quarter. If they could only fight off DePue's challenge—this was the hope of every Princeton rooter. However, DePue broke the game wide open, scoring 18 points in the last quarter to the Tigers 13 to send the game into overtime. In the overtime DePue was first to hit a bucket as they proceeded on an outstanding rally. The Tigers lost another heartbreaker, 66 to 64. Both Small and Smith hit in double figures for the Tigers.

Returning to conference action, the Princeton Tigers traveled to Rock Falls. Playing good ball the Tigers kept right on the Rockets' heels. The Bengals trailed at half time by one point, 37 to 36. In the third quarter the Rockets opened up a four point advantage, 53 to 49. Midway in the fourth quarter, the Tigers suffered the loss of two of their outstanding players, Small and Smith, due to personal fouls. The Rockets ended up edging the Bengals, 69 to 67. Of the Tigers' 67 points Bill Small had 27 and John Smith had 21.

Princeton next faced the powerful Dixon Dukes. The Tigers held the Dukes in check for

the first three quarters, notching the score up 54 to 34. Dixon broke loose in the final quarter, however, scoring twenty points to the Tigers' eight. Small and Smith again paced the Tigers' scoring attack. The final score was 54 to 42.

Seeking their first conference victory the Tigers faced the Rochelle Hubs the following Friday. Both teams went on a scoring rampage. Rochelle led 26 to 22 at the end of one period; however, the Tigers knotted it at 34 to start half-time. In the second half, first the Tigers and then the Hubs surged ahead. The Tigers came from behind once again to edge the Hubs for their first N. C. I. C. victory, 72 to 70. Bill Small, junior forward, scored his personal high

for the season with 33 points. Larson and Smith followed with 13 and 14, respectively.

Switching from conference play to the Big Four Tournament, the Tigers were fired up by their outstanding play against a fine Rochelle team. In the first game of the tournament, Prince ton met Walnut. The Bengals poured it on Walnut from the very beginning. It was not until midway in the first quarter that Walnut penetrated the Tigers' defense for a point. Four men scored in the double figures for the Tigers: Small, Larson, and "Boob" Halberg, sophomore guard. The final score showed the Tigers ahead 75 to 57. In the second game of the tourney, Prince

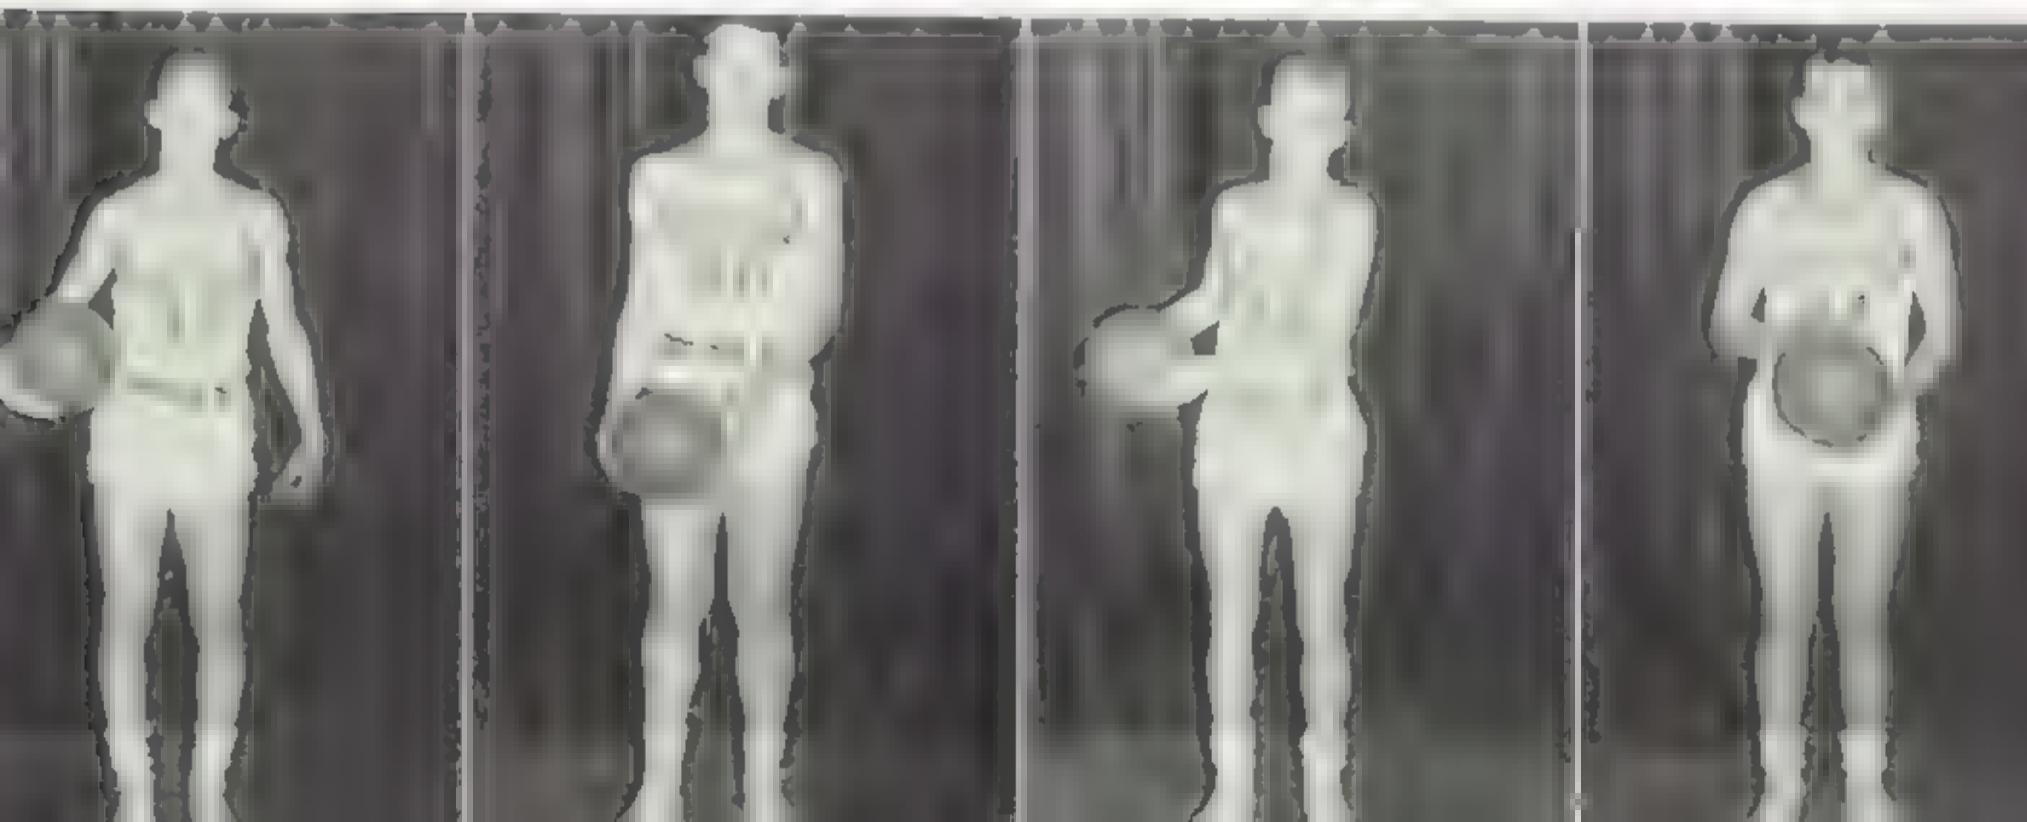

ton defeated West Park.

ton met Hall and racked up its second Big Four win, 61 to 5. Dick Coddington had 15, Small 14, Halberg 13, Smith 9, and Larson 8 points thus featuring a balanced attack. The final and deciding game was to come. The Tigers had met DePue before — lost a heart-breaker. Could be Elm City bring home the trophy? The Tigers had one of those nights. Nothing seemed to work and DePue won, 8 to 18. David Larson distinguished himself with outstanding play both offensively and defensively. Thus Princeton took home the basketball once again while DePue took the trophy.

The following week Princeton met DePue on their home court. The Tigers just couldn't hit. Ron Zagar, DePue's ace, scored 36 points to be high for the evening. Bill Small and Dave Larson were high for Princeton. DePue won, 59 to 41.

Returning to conference play, the Tigers traveled to Geneseo to play the Maple Leafs. Princeton went on a scoring spree from the opening whistle to the final buzzer. Nine men hit the scoring column for the Bengals. The Tigers were never in serious trouble. John "Duck Slayer" Smith was high for Princeton with 20 points.

The Tigers played Sterling the following Tuesday at Princeton. The Golden Warriors put on a high scoring show. They outdistanced Princeton, 86 to 70. David Larson played a fine game for the Bengals, turning in his season high production with 28 points. Small followed with 16

Princeton next entertained Hall Township at Princeton. The Tigers took a commanding lead the first quarter, 2 to 11, and gained another conference victory, 77 to 41. Bill Small, Tiger stalwart, paced the Tigers with 24 points.

The following Friday the Tigers traveled to Ottawa to take on the Pirates. Princeton stayed with the opposition the first quarter, but the Pirates pulled away in the second quarter, as the Tigers were cold. Both teams scored 14 points in the third quarter, the Pirates still maintaining a 14-point lead. In the final period, Ottawa out-scored the Tigers to take a 77 to 59 victory.

"Sweetwater" Small and "Duck Slayer" Smith led the Bengals' scoring with 16 and 12 points respectively.

The next night the Tigers faced the Peoria Woodruff team. The Tigers were seeking to upset Woodruff as revenge for last year's game when Woodruff stopped the Tigers' winning streak. Both teams were cool the first quarter with Woodruff taking a slight advantage. Increasing the pace, both scored 21 points the second quarter. During the third quarter both squads were hampered with men who had four fouls. As the final period began, the score stood Woodruff 47 and Princeton 44. With about five minutes remaining, Dick Coddington fouled out for Princeton. His loss was compensated for when a Woodruff player fouled out. Every Tiger fan was hoping that the Bengals could stave off Woodruff's threat. With two minutes remaining the Tigers held a slight margin of three points.

Two Princeton boys were fouled, but they failed to hit on their free throw attempts; Woodruff then hit for three quick baskets. The Tigers were forced to come out and meet Woodruff. Time ran out before the Bengals could regain the lead. Woodruff edged by, 63 to 58. Both teams played fine ball, with Bill Small high for the night with 28 points.

Traveling to Walnut, the Princeton Tigers clashed with the Raiders in a hard-fought game. Early in the game, Princeton was forced to take Small and Larson out; for each had three personals. The Tigers fought back from a three-point deficit to lead at half time, 39 to 36. In the third quarter the Tigers caught fire and gained an eleven-point advantage. The Raiders came back in the fourth to close the gap to three points. With but a few seconds remaining, "Sweetwater" Small was fouled. Bill came through and iced the game. Although Bill sat out the better part of the first half, he scored 25 points. Dick Coddington followed Small with 19 points.

Traveling to DeKalb, the Tigers played their last scheduled game. The Barbs threw a zone defense against the Tigers. The boys from Princeton fought hard and trailed by only six points at the end of three periods of play. DeKalb broke loose in the final period to outscore the Bengals 19 to 12. Bill Small penetrated the DeKalb zone for 21 points. As the horn sounded, the score stood at DeKalb 66, Princeton 53.

Next came the regional tournament. The

BASKETBALL

Tigers had twice taken a basketball while DePue took the trophy. Tension was high as the Tigers traveled to St. Bede to play the Little Giants. Victory had evaded the Tigers this season when playing the Little Giants; however, the Tigers would not be denied this time. The team went up to the air and Princeton, with sincere determination, drove down and got a fastbreak basket. The first quarter ended in a 17 to 17 tie. DePue fought back and led at half-time 30 to 28. In the third quarter, DePue tried to pull away from their fierce pressure. The Tigers refused to be pulled out of their defense. The third quarter ended with the Tigers trailing by three points 40 to 37. The Tigers had not lost their determination.

scored the Little Giants 15 to 10 in the final quarter, to win 56 to 54. Bill Small and Dave Larson paced the Tigers, but Dennis Keleher, Walt Hopkins, and "Boob" Halberg came through with brilliant offensive and defensive jobs. The Tigers had waited a long time to conquer DePue, and their perseverance paid off.

Two days later, the Tigers played LaSalle from St. Bede. LaSalle Peru's height and speed were much too much for the Bengal Is. Although David Larson played an outstanding game, the Tigers were overwhelmed 60 to 55.

The '66 Tigers had only a few seniors on the team. Returning next year will be many letter winners. The Tigers were a young team this year so we are certainly looking forward to another fine Princeton Tiger team.

SOPHOMORE BASKETBALL

THE 1955-1956 sophomore basketball squad was piloted to thirteen wins and six defeats by their coach, Mr. Lyle King.

After being set back their first game of the season by St. Bede of Peru, 43-40, the Kittens took a long stride forward as they downed their next six opponents: Kewanee, Henry, Mid-County, Morris, Marquette of Ottawa, and Mendota. All those games were won by safe scores. Then they received two severe setbacks at the hands of Alleman of Rock Island and Rock Falls.

Again the Kittens came back by taking Rochelle, DePue, and Geneseo. Then they were downed once more by Sterling, 65-62. After coming back on the winning road by defeating Hall

Township, the Kittens were overrun by Ottawa and Peoria Woodruff. To complete their basketball season, the Kittens defeated Walnut and DeKalb.

Although the Kittens didn't leave the best record for Princeton High School sophomores they outscored their opponents 1009 points to 893 points.

The Kittens are proud of their three players guard Gary Halberg, center LeRoy Dyer, and forward David Piper, who in the middle of the season went up to play on the Varsity squad.

The manager for the sophomore basketball squad this year was Jerry Anthony.

FRESHMAN BASKETBALL

THE FRESHMAN basketball squad, under the coaching of Mr. Paul Goble, had a very successful season. At the beginning of the season an unusual number of boys turned out for the first practice, and Mr. Goble was very surprised. There were thirty-two boys that started the long tough grind, and twenty-six stayed throughout the entire season. One freshman player, Vern Magnuson, was moved up to the sophomore squad in mid-season; so our team had to be rearranged.

The team was pretty well balanced as far as height was concerned. Our tallest player was six two, and the shortest was five-one. As was to be expected, all of the players on the team wouldn't have a chance to play in every game, so the first ten players composed the "A" team and the rest composed the "B" team. Everyone except the first six players dressed for the "B" game, and then the first string of the "B" team dressed for the "A" game. The "B" team played a total of six games and won two of them.

The yearlings started the season with a 48-32 decision over Geneseo. This game started a nine

game winning streak for the frosh. Included in these games were victories over such schools as St. Bede's, Hall, LaSalle-Peru, Walnut sophomores and a real thriller, a 50-48 double overtime battle with Kewanee. Then, in the second battle with Kewanee, the freshman Tigers just didn't have what it took and lost a 40-35 decision to end the nine-game winning streak. Princeton then came back, tipping Geneseo 61-42. Then the frosh had a second victory over Hall. In this game the young Red Devils out-hustled the locals, but P. H. S.'s scoring balance won the game. The next game was a bad one for the yearlings as they dropped a 47-36 setback to the Dixon sophomores. A bad first quarter was blamed for the defeat as Dixon took an 18-2 first quarter lead.

In the following game, Princeton got revenge, smashing Dixon's frosh 56-39. In the next game, Princeton smashed DePue 48-42. In the last game, the frosh blew a four point half-time lead as they fell before Mendota 55-43 and ended the season with a fine 15-3 record.

ATHLETIC SCHOLARSHIP SOCIETY

THE NATIONAL Athletic Scholarship Society is an honorary organization which gives recognition to the boy who is both an athlete and student.

To become a member of the society a boy must have won a varsity letter in one of the school's major sports, and he must be in the upper half of his class in scholarship.

The society is inactive, but it is a distinct honor to be a member, for it shows achievement in both athletics and scholarship.

VARSITY CLUB

THE VARSITY CLUB is an—I was going to say an organization—but that wouldn't be appropriate since there are no membership meetings or dues. In fact, the picture-taking constitutes the first and last meeting held.

Nevertheless it is a worthy club since it recognizes the effort and achievement of the boys who scrimmage on the football field in heat and cold, and then on Friday night in the climax of the week's work; it recognizes the hard practices on the basketball court and the rugged competition of games; it recognizes the training on the track and the ability exhibited in meets.

To be a member of the Varsity Club, a boy must earn a major letter in one of the above mentioned sports.

THE PURPOSE of the Hi-Y organization is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character. The platform is clean living, clean speech, clean athletics, and clean scholarship.

Mr. Grace, our adviser, pointed out at our organizational meeting that previous clubs were mainly recreational. This year we decided to form Hi-Y as a discussion club, with a membership of about twenty-five boys. The intramural program of earlier years was dropped, as were trips to baseball games and factories.

We met on the second and fourth Wednesdays of every month during activity period, in the physics lab. Panel discussions were held and reports given by members on the problems confronting high school youth today.

Since we were late in organizing, officers were not elected until January. They were: Hal Opperman, president, Gordon Petersen, vice president; Dick Unholz, secretary; Gordon Vickrey, treasurer; Wayne Nickells, chaplain; and Bill Lane, sergeant at arms.

The meetings opened with the Lord's Prayer and a brief devotional period, led by the chaplain. The minutes of the previous meeting were read by the secretary, and any business was taken care of before our regular discussion.

At the end of the year, we believed that we had followed rather closely the standards and ideals of the Hi-Y organization. It is our hope that we have become better students, better citizens, and better Christians.

Organizations and activities continued to crowd our life as the second semester advanced.

LATIN CLUB

ELIGIBILITY FOR membership in the Latin Club begins in the second year of study of that language. By then the class has been initiated into the mysteries of the subjunctive mood and has encountered successfully other intricacies of Latin grammar.

This year, on alternate Mondays, were held the regular meetings featuring reports on the everyday life of the Romans. Latin songs, games, and puzzles were provided by the *mildes*.

The first social event of the Latin Club was a movie party followed by hot chocolate at Bowman's. The picture, "Ulysses", furnished not only an evening's entertainment but also material for an entire period's discussion the next day. One night in February found Caesar's army meeting at Miss Graham's home to celebrate St. Valentine's

Day. Between the traditional "eggs and apples" the legionnaires enjoyed the Italian spaghetti provided by the hostess. An exchange of original Latin valentines set the wits of the guests to work. Did everybody get his properly translated?

In the spring the annual field trip was taken to Chicago. In the morning we went to the Natural History Museum and Art Institute and spent the afternoon doing what we wanted.

SPANISH CLUB

*Buenos dias! Como esta usted
Muy bien, gracias*

If YOU HAVE heard these foreign phrases floating around Room 209 on the second and fourth Wednesday of each month, then you have probably sat in on a meeting of the Spanish club.

The purpose of our club is to better acquaint us with the lives and customs of Spanish-speaking countries.

Our meetings were called to order by our capable president, John Smith (*Pancho*). Our vice president was Pat Skaggs (*Cuca*) and our treasurer was Pat Lawes (*Papita*).

Our Christmas party was held in the gym. One committee made a very gay piñata, which spilled out gifts and candy when it was hit. We hear Jeanne Coulter made a big hit with the per-

tume she got that night! We had a great time dancing, telling stories, and singing Spanish Christmas carols while we ate the *Bunuelos* that our refreshment committee had made.

The rest of our plans for the year included going to Chicago to see Jose Greco, learning folk songs and Christmas carols, and watching movies and listening to records. With Mrs. Kann's help we even learned some Spanish dances! We had loads of fun playing *Que Lastima* and other card and word games. Our club's year was climaxed by a picnic held out at the City-County Park in the spring.

We want to thank Miss Arntsen for all of her encouragement and cooperation, and for her help in making our study of the Spanish lands and peoples more interesting and educational.
Muchas gracias, Señorita Arntsen

A CLUB

THE A CLUB is an organization composed of students who had all A's for their semester averages. This is an inactive organization; however, it is indeed a great honor to be a member of the A Club. For this reason, it is almost every student's goal to attain this place of honor.

For students to earn A's in their subjects, it is necessary for them to be active members of their classes. This means that they must pay attention to their teachers and learn the material that is placed before them.

In our school the faculty is very sincere in its wish to help students who want and need help. If students go along with their teachers, get help when they need it, and do good work, they will undoubtedly be rewarded.

A-B CLUB

HAVE YOU SEEN the bulletin board with the honor roll? I made it!"

Congratulations

These are among the many statements made when the honor roll is posted in the hall. There is always a week of suspense after semesters to see whose grades were good enough to make one club or the other—A or A-B.

In order to make the A-B Club, a student must have at least two A's and the remainder B's, for the semester just ended.

Our congratulations to those who did so well this year.

NATIONAL HONOR SOCIETY

THE FOUR CARDINAL principles and the qualities for membership in the National Honor Society are scholarship, leadership, character, and service. Candidates must be in the upper third of their class, and they are chosen by both a student and a faculty vote.

It is customary for the officers to sell cider and doughnuts in the fall. Besides being a popular project among those who get hungry after school, it brings in money to pay for the new members' pins. This year the officers also sponsored an ice-skating party for the senior class.

In February an impressive candlelight ceremony was held to initiate new members. Mr. Holt

our principal, administered the oath, and Miss Genevieve Ashdown, our most worthy adviser presented the pins

At the first meeting after initiation, rolls of tape were passed out, and for a week the members walked around school begging for pennies. Next the organization continued work in the school handbook that was being revised.

Two major programs presented by the society were: Teacher for a Day and Meet Your High School Day. In the spring the second annual Daffodil Day was sponsored by the National Honor Society.

WEEKLY TIGER STAFF

UNDLR THE excellent supervision of Miss Luchsinger and Miss Arentsen, the *Weekly Tiger* climbed to new heights during the 1955-56 school year. In addition to the weekly issue printed in black and white, we offered a *Twelve-page Special Edition*. This was a twelve-page ditto magazine on the same order as the *Weekly Tiger*, but on a much larger scale. The "Special" was a lot of extra work for both teachers and students, but many new students joined the staff; and the teachers watched with satisfaction as the *Tiger* grew. There were nights when it didn't seem possible that all the "Specials" could ever be stapled, or mimeographed, but the work was done and with it there came a lot of fun.

We on the *Tiger* believe our work was worth

it, for with so much growing interest in the *Tiger*. Mr. Holt decided we could have our own regular school paper published. This was something entirely new in Princeton High School, and it meant a lot more work, but the work was gratifying. The *Weekly Tiger* is a different proposition entirely. Instead of us students just writing articles and handing them in, we had to learn to set up a paper, count type, block off articles, and all that goes with having our own paper.

The work has just begun, however, for the *Weekly Tiger* staffs of 1955-56 have set a goal for the following classes. We were the pioneers, and we had a lot of fun pioneering. I'm sure none of us will ever forget being part of the *Weekly Tiger* staff, and we want to wish the best of luck to the classes that follow.

G. A. A.

THE OFFICERS elected for the 1955-1956 term were: President Dixie Pomeroy; Vice President Sandra Kowalski, Secretary Virginia Simon; Treasurer Marilyn Newcomer; Point Chairmen, Cheryl Ellberg and Mary Brown.

The offices of president and vice president of G. A. A. are two of the more coveted honors in our school. Each year the Lions Club and the Rotary Club send both girls to camp at Lake Geneva for one week.

To start off the year, Dixie Pomeroy, Mary Borwn, and Virginia Simon, accompanied by our adviser, Mrs. Kann, were sent as representatives to the league workshop at Riverside-Brookfield High School. While there, the girls learned how other schools carry out their G. A. A. program. It was very educational and enjoyable. The girls brought back many new ideas for our own club.

Next on the program was the Homecoming Dance, for which the G. A. A. decorated and

carried out the theme of "Rock Around the Clock."

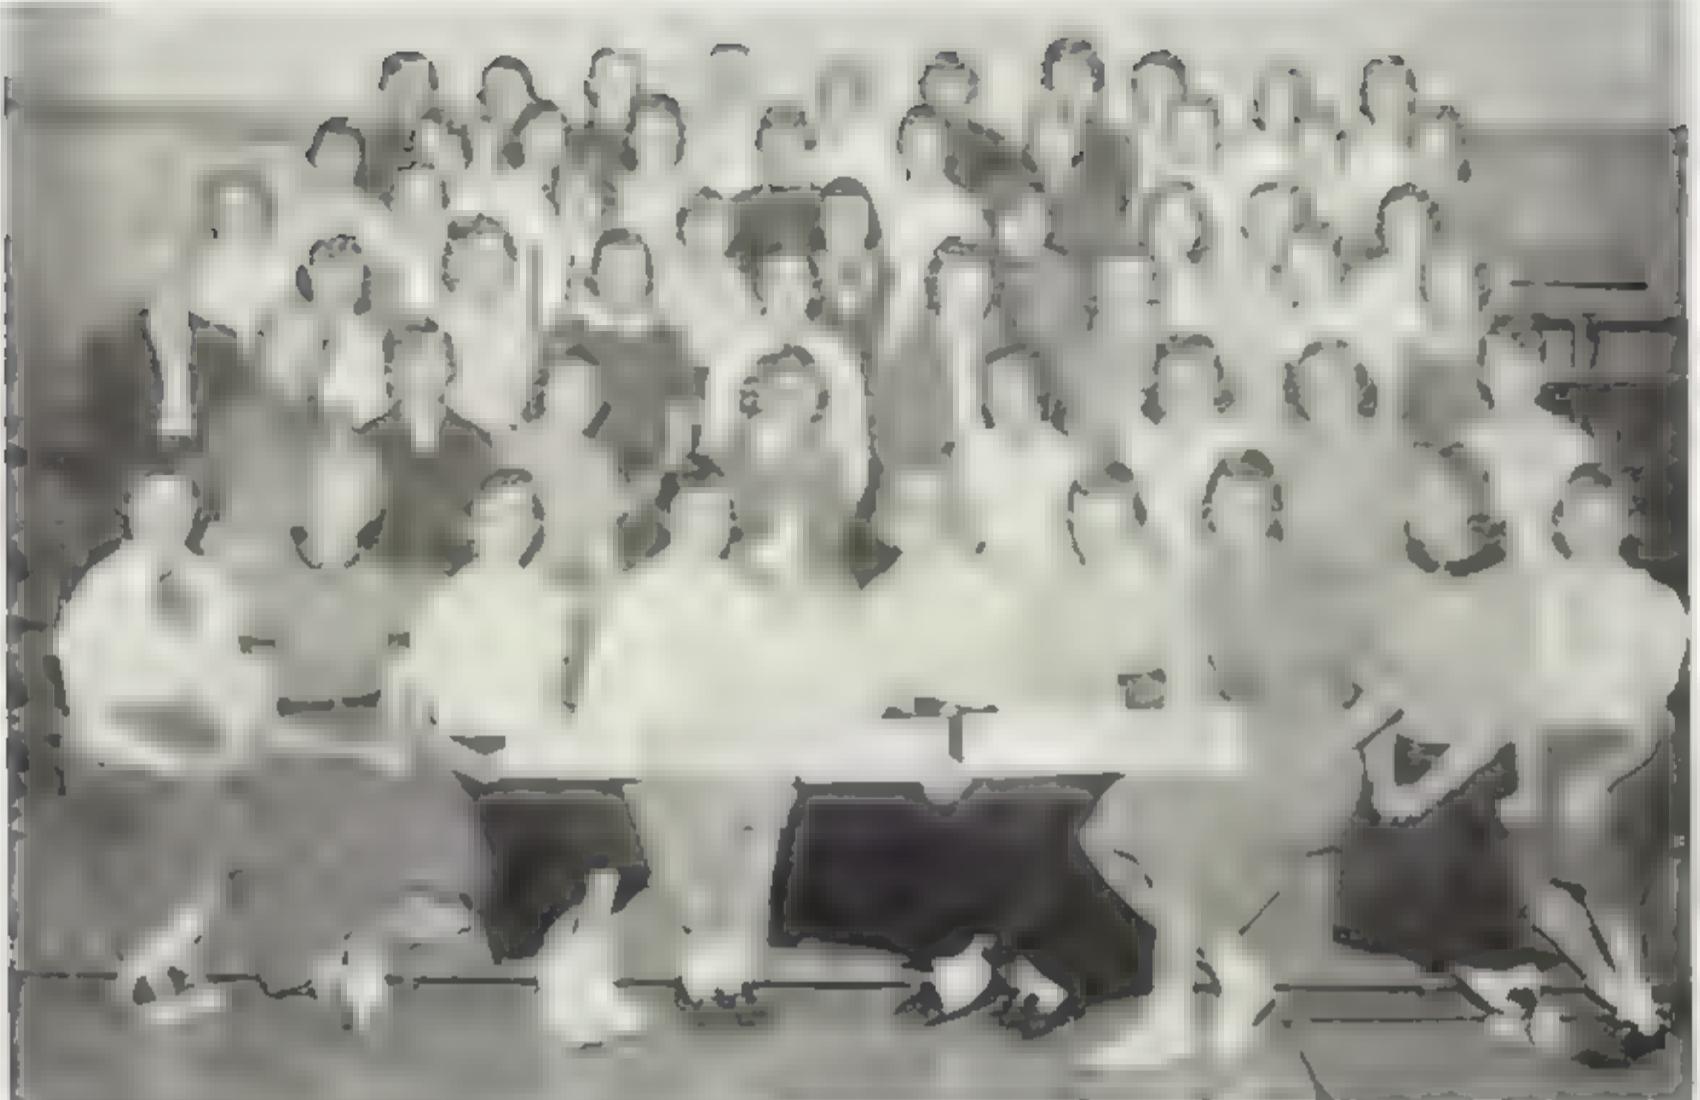

The first big dance of the new year was the "Sweetheart Dance" under the entire sponsorship of the G. A. A. The theme of this dance was "The Tender Trap." Wayne Nickells was chosen to reign as King of the Dance.

Turning from Romance to Rumpus, the Club carried out a volleyball intramural program. The intramurals were carried out very successfully, and everyone had a lot of fun participating in them.

The rest of the year was devoted to the more serious tasks, such as formal initiation of new members, election of new officers, and a formal installation of these new officers.

Without the help and advice of our adviser, Mrs. Kann, we could not have made it through the year.

Also thanks to the officers, the year was just wonderful.

The diagram illustrates the experimental workflow for flow cytometry analysis. It starts with 'Flow' and 'Laser' inputs at the top left, leading to 'Excitation' and 'Emission' detectors. The 'Excitation' path includes 'Excitation Beam' and 'Filter' stages. The 'Emission' path includes 'Filter' and 'Detector' stages. Below these, a 'Sample' input leads to a 'Sheath Flow' and '鞘流' (Sheath Flow) stage. This is followed by a '鞘流' (Sheath Flow) detector. The main sample path then splits into two parallel paths: one for 'Forward Scatter' (FS) and one for 'Side Scatter' (SS). These paths lead to 'Filter' and 'Detector' stages. Finally, the data is processed through a 'Computer' and 'Analysis' stage, resulting in 'Report' and 'Database' outputs.

TRACK

THE WORD FOR this year's track team was "new." Mr. Durham served his first term as head track coach this spring. The varsity looked more like a frosh-soph team, having only about four returning lettermen and not a star among them.

Speaking of stars, let's review last year's season. We didn't win a very large percentage of our meets last year because we had no depth, but we won some important ones. I believe most of the boys would agree the core of last year's team was Flinn, Flinn, Freeburg, and Eckburg, as the record will show.

At the Oak Park Indoor Relays, Lewie Flinn, straight from the Huff Gym floor and with no chance to practice the pole vault, cleared 12 feet 6 inches, winning and setting a mark which stood unbeaten almost all season.

Lewie set records in the pole vault at both Kewanee and Davenport. The low hurdle team set a record at Davenport, and Flinn won the high jump at Kewanee.

Much to our surprise, we won the Normal Relays, retiring the traveling trophy with three straight Class B wins. Flinn tied for first in the pole vault, and we won the varsity sprint medley and the low hurdle shuttle relay.

We won the Big 4 with Flinn setting another record and Forrie Flinn tying Hensel's 440 record set in 1929.

At Clinton, we nosed out DeWitt by one-fourth of a point. Main contributors were Freeburg, Flinn, and Finn, who won the high and low hurdles, pole vault, and 440, respectively.

In the state meet, Lewie won the pole vault. This was the first time a Princeton athlete got a first in the state meet. Forrie Flinn placed fifth, giving us a total of six points and eleventh place in the meet. Flinn won at the Conference meet at 12 feet 7 inches, and Finn won the 440.

As this article is written, hopes are high for a successful season with our "new" team and our new coach, Mr. Durham.

Track season completed the cycle of athletics for the year, but memories of athletic events remained.

CHEERLEADERS

THIS YEAR'S varsity cheerleaders were chosen by the student body in May of 1955. Those chosen were Nancy Sutcliffe, Mary Lynne Stamm, Cheryl Elberg, Carol Cathcart, and Dixie Pomeroy. The cheerleaders enjoyed every minute they spent cheering for their Tigers.

The Frosh-Soph squad consisted of Freshmen Ruth Horton, Rita Farley, and Judy Puttcamp and Sophomores Marilyn Albert, Garda Sitterly, and Nancy Newbury. This year the Frosh-Soph Cheerleaders were chosen by three faculty members and three members of the student body.

The Varsity Cheerleaders would like to thank the Athletic Staff for making it possible to have new uniforms. They were very much appreciated. Also our thanks goes to Mr. Stamm, Miss Wright, Mrs. Sheffer, and Mr. and Mrs. Kann for providing the cheerleaders with transportation to and from the games.

The ending highlight for both cheerleading squads was the picnic given for them by Mr. and Mrs. Kann.

MANAGERS

PRINCETON HIGH SCHOOL had a new staff of managers this year with the exception of Robert Dremann, who had had previous experience. Football was managed by Jerry Anthony (head manager), Bob Dremann, and Jim Swartout. Basketball was managed by the same three plus Jim Saltzman, who was Frosh-Soph manager.

Soon after athletic season had begun, the boys had adapted themselves to their managerial duties and had things running smoothly. The duties of a manager are varied and numerous. In addition to keeping the teams rolling, boosting morale, and looking after the equipment, the managers were kept busy preparing the gym and athletic field for games, giving first aid when needed, and keeping the locker room "picked-up."

In no small measure, the managers have contributed to the success of P. H. S. athletic teams.

We recalled the faithful service of our cheerleaders and managers.

ART CLUB

UNDER THE FINE guidance of Mrs. Walter, the work of the Art Club progressed. This was the first year that Art III was offered as well as Art I and Art II. Each division had special projects to be completed within the year's time. Students in Art I studied composition, color harmonies, perspective, figure drawing, lettering and advertising layout, art appreciation, and some craft work. Art II started off by making many posters for the school, and weaving baskets from reeds. Original composition, texture, figure drawing, perspective, and ceramics were also incorporated into their course. Art III members brought in reports on art in other lands and did advanced work along the same line as Art I and II. It takes a good deal of hard work, and the students had to put their whole soul in it to do all the projects well.

Even though one may not have the talent, or the experience needed, to become a professional artist, through the study of art one could learn how to appreciate and interpret paintings and so open to himself a whole new world of beauty.

Art work of the club was shown in the second floor corridor in special cork-backed cases, and in the cafeteria. All students and visiting groups had the opportunity of viewing their projects.

Since the Art Club met in the home of Mrs. Walter, the atmosphere was considerably different from the ordinary class. More informality was possible, and the students could exchange ideas and joke about their work—as long as they didn't interfere with the progress of the others' work. And too, the witty remarks of Mrs. Walter, along with her constant willingness to help, made for close harmony in the daily work.

CADET TEACHERS, MESSENGERS

THESE WERE SOME of the typical remarks you have heard during the second semester. Cadet teaching is a program carried on each year between the senior class and elementary schools of Princeton. Seniors were given the opportunity to consider teaching as a possible career.

Fourteen members of this year's class participated in this program which brings the students of our school and the elementary schools to better understanding of the teaching profession.

Our thanks to Mr. Bone, Mr. Holt, and all who made cadet teaching possible.

IF A PERSON goes down the hall almost any period, he may run into a messenger picking up the attendance slips for the period. She is a girl of many errands.

She answers the telephone by saying, "Hello Princeton High School." If the party wants the cafeteria or Mr. Holt, she pushes one of two buttons that are over Mrs. Saxum's desk. Among some of these numerous duties are recording the attendance from attendance slips (hoping that the teachers write down all the people who are absent), writing out blue slips when there is a message and delivering them, and passing out the special announcements issued by Mr. Holt. If Mrs. Saxum is extremely busy, the messenger helps her out, also.

THESPIANS

SPEAKING competition interested many students, and for the first time Princeton had an entry in every event at the conference speech meet. Mr. Gartner, our sponsor, and three members of the troupe worked on a one-act play. The play, "Finders Keepers," was a good one and was well received at speech contests.

Thespians is a wonderful organization. Mr. Gartner was a good sponsor and always made the plays, parties, etc. more fun. We hope that in the future more and more students will become interested in Thespians. The troupe this year worked hard and tried to build up interest. We hope we have succeeded.

CHORUS

LOOKING BACK over this past year, we well remember the many activities in which the chorus participated. Plans first began in May of '55 when the officers were elected at our annual chorus brunch held at Virginia Simon's home. The girls elected Nancy Sutcliffe as president, Carol Cathcart as vice president, Mary Lynn Stamm as secretary, and Marilyn Newcomer as treasurer. Danny MacDonald, Glen Anderson, and Brian Foster were chosen to fulfill the duties of president, vice president, and secretary-treasurer for the boys.

One of the first memorable events of the year was the North Central Music Festival to which we sent twelve girls and eight boys. It was an enlightening experience for all those who participated.

An appealing program which was also a fall project was the Minstrel Show presented by the boys' chorus.

Before long we began rehearsing for the traditional Candlelight Christmas Concert which was given on December 20. The beautiful altar and church window-pane proved to be a very fitting background for the special number, "Why The Chimes Rang." This was presented with the help of the dramatics department under the direction of Mr. Gartner.

After the holidays came the intensive preparation for the annual spring concert. Everyone enjoyed working on the songs that represented different forms of transportation. Among the various numbers carrying out our theme of travel were "Wagon Wheels," "Hayride," and "Dis Train."

Our eventful year was then climaxed with singing for Baccalaureate and Commencement in June.

Outstanding credit is due to our director, Miss Fry; for with her patient work and time these performances were made possible.

TIME: The Present

PLACE: A typical home, maybe the one

EACH YEAR the Junior Class is faced with the problem of what play to present for the traditional spring play. The Class of 1957 chose

FATHER KNOWS BEST for their presentation. When call for tryouts was made, there was a tremendous response from junior thespians; and Miss Luchsinger was able to select a cast with no little difficulty.

Immediately after the cast was named, rehearsals began in earnest. Miss Luchsinger spared no effort to coach the players for a successful production. Janet Monier served capably as student director. In addition, numerous committees swung into action on the less glamorous but no less important work "behind the scenes."

In this play Father becomes dismayed at the way Mother runs the house, so he decides to take over. In taking over, he learns that the life of the housewife is not so easy as it seems.

The many humorous incidents in the play include the time when Father thinks his daughter Betty has eloped, when daughter Kathy invites her friend Patty to spend the night, and the incidents involving the Garden Club and basketball team. All in all, Father goes through many challenging situations in attempting to prove that he really does "know best."

ANNUAL STAFF

THE SENIOR CLASS, the traditional publisher of Princeton High's yearbook, worked hard to present to the school and the student body the 1956 Tiger. We of the staff hope that whenever you look at this book, you will be reminded of those wonderful days at P. H. S.

At the beginning of the school year, you might have heard something like this—"Are you going to the annual staff meeting? Be sure to come because we're going to choose the theme for it. Don't you have any suggestions at all?"

About a month later the conversion would probably have gone like this—"Mr. Kenney, how should this be typed? Oh dear, what a mess." Many obstacles impeded our progress, but through continuous hard work during the year our work is at last completed.

When the annuals are passed out, we will hear many *Ob's* and *Ab's*, and then we shall know

that our time has not been wasted. We certainly hope you enjoy it and have as much fun looking at and reading this annual as we on the staff have had putting it together.

We have tried to make this publication one that you will cherish and enjoy in years to come. We are confident we have provided an interesting record of all the organizations, sports, and other activities which are to be found in our school.

Much time, effort, expense, and fun have been invested in the production, with each of the staff contributing some talent to make the book truly representative. First and foremost, the staff wishes to thank Mr. Joseph Kenny, our faculty adviser, for his guidance, patience, indulgence, and his efforts to inspire the staff to seek perfection in this annual.

And so we proudly present the 1956 TIGER hoping that you will always have "Moments to Remember."

Activities were ending, and organizations were closing their accounts.

THE 1956 GRADUATES

MISS ASHDOWN
Class Adviser

DICK FREEBURG NANCY JO KAUFMAN
CHARLENE ELLIOTT JIM WRIGHT

FIRST OF ALL, I wish to express a very special word of thanks to Miss Ashdown, our capable and understanding class adviser. She has patiently guided us through the past two years. When we have had problems, we have gone to her and she has helped us see our way clear. We all say, Miss Ashdown, you have done a remarkable job, and we are sincerely grateful to you. We give you a warm-hearted thanks.

To my worthy co-officers and assistant goes much well-earned credit. The officers are as follows: Nancy Kaufman, vice president; Charlene Elliott, secretary; Jim Wright, treasurer; and Janice Brown, assistant. We have tried to work together to promote bigger and better things for our class. I wish to thank you, classmates, from the bottom of my heart for your cooperation and patience. You have done a wonderful job to make the Class of '56 the greatest ever.

In the past four years, our class has had its ups and downs and its joys and disappointments; but with patience, understanding, and hard work we have attained our ultimate goals. As Old Man Time passes on, we shall look back with fond memories of the best years of our lives in dear old Princeton High. To my fellow graduates, I wish you the best of luck in all your future endeavors. To the classes that follow—good luck and farewell.

—DICK FREEBURG
President

And we had reached the peak — our calendar was completed.

CAROL ANN ACKERMAN

Carol is a friendly girl with a nice smile. She likes music, sports, and her studies.

ARTEMIS GLENDON ALICKS

Glen is easily noticed because of his red hair. He is currently a "carry out" at Piggly Wiggly and spends his spare time at the skating rink.

GLEN EARL ANDERSON

During the football season, Glen played an important part on the first string. He's really swell and he's working hard his senior year, especially for Mrs. Luchsinger.

LINDA MAE ANDERSON

It's nice to be around a person like Linda because she's always so pleasant. She makes friends easily and has lots of them. She has a great sense of humor.

SHARON MAE BEAMS

Sharon is one of the shortest girls in our class and has a nice smile. Her nightly occupation is writing letters to a certain "Libby." Sherri is a swell kid to be around.

RUTH MARY BELI

Ruth is a short senior who is always ready to make a new friend. She is usually worrying about her book keeping, and when she sees you she always has something to say.

PHYLLIS RAE BIRD

Phyllis is a very considerate girl and her smile is something to behold. When you have a need of a friend or good advice, always look for Phyllis.

RUTH ELLAN BRACEY

Ruth always has a party everywhere she goes (even in school). She can usually be found, in her spare time, at the skating rink.

JANICE CAROL BROWN

Jan is a hard working student who puts her all into everything she does. Jan has a fine personality and is a friend to everyone she meets.

JOSEPH RICHARD BROWN

Dick a tall, curly haired boy, has a friendly pat on the back for everyone. He likes cars, engineering, sports, games, plays, and girls. He is a wonderful person to know.

THE 1956 GRADUATES

PATRICIA LYNN BUHN

Pat is kept quite busy attending various activities. She always seems to get the most out of life and usually has a lot of fun doing it.

ROBERT EDWARD CARLSON

"Mouse" is easy to spot. He's either with the Princeton Boys' or down at the Shop. Bob is also vice president of the Senior Class and captain of the boys' basketball team.

CAROL ANN CATHCART

A person is usually able to see Carol running around the halls on errands for someone else. She's a sweet kid and should go far in the world.

JUDITH ANN CLAY

Judy is a gal with a bubbling personality. Her main goal is to enjoy life and help everyone around her enjoy life also.

DIANE DE CODDINGTON

Diane is very artistic with appreciative interests in voice and dancing. She'll always be remembered as one of our more sophisticated classmate.

RICHARD CARY CODDINGTON

The tall boy with a crew cut and friendly smile and his characteristic gesture—that's Dick. He is an all-around boy in activities and athletics, and is everybody's friend.

DONALD JAMES COLOMBO

Boy Six feet, three inches, 180 pounds, blond hair top, voted the best build in the school, and a great guy to know. His favorite subject is American Problems.

KAY LENORE CONNER

Kay is frequently rushing to and fro telling someone about her latest escapades. We'll always remember her keen interest in music and dramatics.

DE WAYNE EDWARD CORK

Corky is very athletically inclined. He has a good personality and likes to avoid work.

LINDA LOU CRABBS

Linda is a good-natured kid and expresses this in her laugh. She is "true blue"—and a lot of fun to be around.

THE 1956 GRADUATES

THE 1956 GRADUATES

LAWRENCE LARRY CUTSINGER

Lawrence is a studious youth who will excell in his chosen field through his ability and persistence. He has an unusual sense of humor which always affords a good laugh.

VIRGINIA RAE DIVENNY

If you happen to see a red head coming down the hall laughing, it will probably be Ginger. But it's only natural. She's always this way.

SHARON LEA DIBSON

Sharon has brown hair and blue eyes. She has a great personality and is full of fun. She is an addition to any party.

SHARON LEE DOWNER

Sharon is the only senior privileged enough to go with "Tony Martin". She owns a live monkey named "Butter" for a brother.

RICHARD PAUL DREIMANN

Rich is the guy with the faded maroon Plymouth that is seen buzzing around town. In home room we can see that Rich enjoys reading or trying to catch up on last night's missed sleep.

KENT ALAN ELDERT

Kent Eldert is the good looking kid with the constant smile and witty humor. He was always active in school events and is especially gifted with an outstand-

CHERYL ROB ELLBERG

A lovely addition to the Class of '56 has been Cheryl Elberg. Always happy and busy, Cheryl goes like lightning as well as with lightning. It is a pleasure to be her friend.

CHARLENE PATRICIA ELLIOTT

We will always remember Chuck as our devoted class secretary. She has a nice personality and is a lot of fun.

ROBERT LLOYD ESPEL

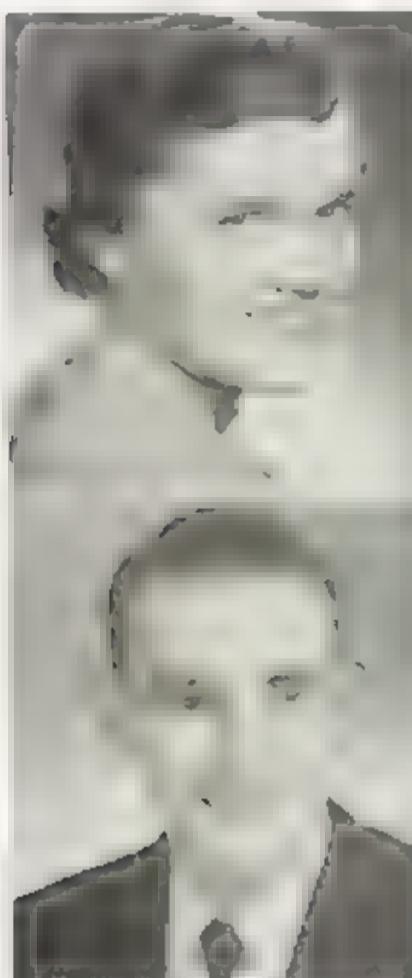

Bob spends a great deal of his time working at the Party Wiggly. During school he enjoys attending A class, F. F. A., and other activities. He is a good sport and a swell friend to everyone.

JOAN MARIE FARLEY

Joan is certainly a versatile and interesting young lady. She goes well with ice blue, a old music and Steve. She likes jazz, long walks, picnics, sunsets, sunrises, and most times in between.

THE 1956 GRADUATES

CAROLYN JUNE FISTE

This brown haired girl running around the hallways during third and fourth periods is "Cowboy." She can usually be seen in the little cage in the Book Store.

ROBERT WENDELL FOUSHÉE

This tall boy with the friendly personality is a fine know. Wendell is interested in navy life, sports, tropical fish, and school. He is enjoyable to be with.

RICHARD GORMAN FREEBURG

Lightning's duties as Senior Class president tested and proved him very capable and always willing to take on more work. His friendly attitude makes him one of our class favorites.

MARGIE ANN LUTZ

Margie is five feet, six inches tall, and has brown hair and blue eyes. She came from LaMouille in her senior year and has liked Princeton ever since. Her man is Gene.

FRANCES ANGELINE GAPINSKI

Fran is a swell person to know. She enjoys laughing and singing, and is often seen at the "Shop" listening to the latest records.

GEORGE DAVID GLENN

This little man snaps action shots at the ball games the annual. "G. D." likes science fiction, the and girls. He is a nice person to know.

ROBERTA GLENN

Roberta is five feet tall, and has dark brown hair and brown eyes. She has a delightful personality, and a man named Bob. She plans to go on to college and become an elementary teacher.

ROBERT EUGENE HANNA

Anyone wanting Bob would have only to step into the office practice room. He is always helping some teacher with errands. Anyone will agree that Bob has learned a lot in his four years at P. H. S., and that he is a swell boy.

DONALD STANLEY HANSON

Don is a member of the class who always has a bright remark ready for everyone. He has a keen sense of humor (?) . he will be well remembered by all of

MARY AMANDA HELPER

Mary is a studious girl, but she always has time for a friendly smile. She has a keen interest in classical music and LaMouille.

KENNETH VIRDEN HEUER

Ken is another one of the Pugly Wiggly workers. He seems to have an exceptional talent for speech class. His speeches will long be remembered by all.

BRIAN LEE HILDEBRAND

Berg's' is an intramural basketball star. He likes short girls and Plymouths, and can occasionally be found at every teenager's second home, the "Shop."

NANCY LEIGH HOPKINS

Swoosh! Nan runs by again. She's always working on the annual, class play, or something. Her spare (?) time is spent in a Mercury or a Ford truck (the latter she hates).

CURTIS DEAN HULTEEN

Curt is a very athletic minded boy. His build has good looks, plus personality, make the girls very friendly with him.

HELEN JUNE HUTCHINSON

If you see a girl in the halls with long brown hair who is always talking to someone about skating, that's Helen. Helen is a caged teacher in gym and is very active in sports.

TERRENCE FEARON JACOBS

Terry is the red head with a friendly smile surrounded by freckles, with quick sparkling eyes, and a friendly manner.

JOYCE HELENA JOHNSON

As a messenger, Joyce is often seen making a round the hall's. Her other interests center around nursing and sports.

SANDRA KAY JOHNSON

Sandy is good natured and always fun to be with. She is a good student and enjoys working with others. Sandy lives her life to its fullest and best.

THEODORE ELLWOOD JONES

Ted is a tall, thin-torsoed, energetic person who usually wears a big smile. He has a multitude of talents which he uses to advantage.

LOUISE ANNE JOSEPHSON

Technics, intramurals, or play practice. But she's never too busy to shout a friendly "Hi!"

THE 1956 GRADUATES

NANCY JO KAUFMAN

Nancy is a serious student who puts her everything into a project. She is a leader in all activities. Nan is full of fun and is always good for a laugh.

DENNIS LYNN KELFHER

Dennis is one of our more outstanding class members in the fields of sports, music, and dramatics. He has made numerous friends in school, and they will always remember him.

SANDRA JULE KOWALSKI

Sandy is a girl with a wonderful personality. She is always so pleasant and friendly that it's contagious. Her energy seems unlimited as she has demonstrated in her work on the annual staff and in her numerous other activities.

PATRICIA ANN LEFFLER

She is a 5' 5" girl with light brown hair and big brown eyes. If you don't see her coming, you will be sure to hear her 50 red Ford.

DANIEL GLEN McDONALD

The boy with the blond flat top—that's Dan. He's often in the gym shooting baskets, and during free time he is either at the "Shop" or riding his red motor scooter.

EUGENE WALTER MAY

Gene is a very quiet, shy boy—especially around girls. His time is spent mostly in farming and studying school work. His favorite pastime is bowling.

DONALD WAYNE MECUM

No matter where he is—working in the cafeteria, walking in the halls, or in class, Don is one of our classmates who always has a cheerful greeting and a smile for every one.

MARILYN JEAN NEWCOMER

Marilyn is the gal who's always on call to lend a helping hand. She's a busy miss with lots of interests and a personality which enables her to fit every occa-

WAYNE NICKELLS

If you see a kingly looking, dark brown-haired boy walking down the hall, it's only "Nick." He's very looking and has a swell personality.

KENNETH EUGENE NORDSTROM

Kenny, though quiet, has a number of distinguishing traits which clearly mark him—he's honest, helpful, and he can be trusted with any secret.

THE 1956 GRADUATES

THE 1956 GRADUATES

LYNDA SUE NYMAN

Linda Sue is a serious student and gives her all to a project. She is always good for a laugh and has two big dimples when she smiles—which is most of the time.

JUDITH RAE OLIN

Judy is an ambitious girl who may sometimes be seen hovering over her books, however, she is also an all-around girl and works hard for the senior class.

HAL N. OPPERMANN

Hal, one of the school funnymen, can be spotted by his "Henry Aldrich" walk. His passion is for trouble, things "Normal," and classical music. He loathes studies, trucks, and sisters.

SHARON LEE PERKINS

"Perk" is about 5' 4" and is topped off with dark blonde hair and BIG brown eyes. Her two main interests are art and basketball players. She is a lot of fun and a great kid to know.

CAROL JEAN PERRY

Carol is one of the more quiet members of our class, beneath her quiet manner, however, lies a nice personality. She is also one of our more talented students in the musical field.

GORDON KEITH PETERSEN

Gordon is one of the tallest and most energetic ('3) of our class members. His sparkling personality is a great contribution to the senior class.

RAY RICHARD PHILLIPS

Ray is a swell guy who will some day make a good politician. He is really a nice friend to have.

BRADLEY GUNNAR PIHL

Bradley is one of the most likable, easy going guys in school. This senior lad always has a pleasant word and friendly smile. Brad is also a good student and has exceptional talent as a speaker.

JOHN NOEL POFFINBARGER

John, the little guy with a pencil behind his ear is always dashing from one place to another because of his various activities. His top activities include band and a job at Clary's.

DIXIE LE POMERON

Dixie is one of the most active girls in school. She is a cheerleader, the president of G. A. A., and a thousand and one other things. She likes rings and Fords, and dislikes cracks about big brown eyes.

THE 1956 GRADUATES

ROBERT JAMES SALETZKI

If you happen to see a "lost" boy, it's Robert—he is usually lost in his ideas of a new artistic masterpiece.

DIANE MARIE SANDBERG

Diane is a gal with a lot of salesmanship. She also is keenly interested in science and can frequently be found in the biology room.

GENE FRANCIS SCOTT

Gene will always be remembered for his sleek black hair. He is also one of the school's more avid Ag. students.

RAY ALBERT SLIDEL

Ray is a good looking boy with a ready smile. His one fault is that he is always talking about ducks. He really is a swell guy.

DAVID EDWARD SELDERS

David is the shy, retiring type—until he gets behind the wheel! He loves to argue, wears good clothes and hates women.

JUDITH ANN SIMON

Fair of face, full of grace, pleasingly plump—she's no chump; cooking is creamy, sewing is dreamy, she's tops—our Judy.

PATSY ANN SKAGGS

Patsy is a tall, brown-haired, hazel-eyed senior with a great sense of humor that can sometimes run away with her. (P.S. She always comes back.)

DONALD RAY SMITH

You can tell him by the way he comes dрагging around the track, with a towel wrapped around his neck, looking as though he is on his last lap.

MARY MARGARET SMITH

Maggie has many and varied interests. She sings, plays in the band, is interested in acting, and still finds time to be one of the top students in the class.

KAREN ARDELLA SPENCER

Karen has led our class in many affairs. She has a pleasant disposition, many talents, and plenty of ability. She is a lot of fun and has many friends.

JOHN GILBERT SPRINGER

John is a funny little lad with a voice like Dr. Jekyll's and a personality like Jackie Gleason's. His only fault is that he also resembles Andrew Jackson, in one respect.

MARY LYNNE STAMM

You can always spot Mary—she makes a million faces and is constantly confused. All in all, she's great to be around.

MARY JEAN STRATTON

She is loads of fun and can adjust herself to any situation. She is always willing to try something different, and is a swell kid.

NANCY ANN SUTCLIFFE

Nan gets along with everyone, and has an unforgettable personality. She is continuously giggling. Both teachers and students really appreciate her many talents.

PAUL RAYMOND SWANSON

Paul is always with the Thompson twins. He is a happy go lucky guy who always has a funny story. He has a great personality and will make something of himself.

DAVID DEAN SWARTZENIRUBER

David is a tall, dark, and handsome boy who is always seen roddin' around in a '49 Hudson. He is easy going and gets along with everybody.

THOMAS A. SYLER, JR.

Tommy, although short, makes the most of his size. He's almost always laughing, and he has found that happiness is the greatest thing in life.

ALLAN MIDFLY THOMPSON

Allan has always been considered one of our outdoor lovers. His friendly attitude has won him many close companions.

CHARLES ALEXANDER THOMPSON

Charles is ambitious. He enjoys many outdoor activities, especially hunting with a bow and arrow. He is good looking and has a swell personality.

WILLIAM EARL TORNOW

Bill is a tall, quiet boy with a blond crew-cut. His favorite foods are fried chicken and pancakes.

THE 1956 GRADUATES

ELEANOR MAE TRANSON

A wide smile and dark eyes—that's Ele. She likes sportsmen and sports, popular music, books, and military schools. She has a delightful personality and adds cheer wherever she goes.

RICHARD DAVID UNHOLZ

Peewee is the brains behind most of the sinister plots around P. H. S. He likes brown eyes, the Syndicate, Barn A, Mr. Ott, and Northwestern. He dislikes ~~—~~ extra credit and bad attitudes.

GORDON LEE VICKREY

This is the guy we all know as "Lubber," tops in personality. He participates in many school activities, and he is a great one to be around whenever you feel you want a few laughs.

GEORGE WASHINGTON

George is a friendly kid with a cheerful word for everyone. He's always willing to help wherever he's needed.

JAMES W. WRIGHT

SENIOR CLASS HISTORY

NINETEEN HUNDRED THIRTY EIGHT—a year of calamity. Two powers began their rise . . . Adolf Hitler and the Senior Class of 1956. Now the world recognizes the Senior Class as the greater of these powers. Thus far we've outclassed Adolf and his boys by eleven years.

Our early training began in 1943 at two different bases—Logan and Douglas kindergartens. We showed evidence, even at this first stage, of the force we were to become. As one of the largest classes in Princeton history, we so terrorized our poor teacher that she moved to the Southwest for her health!

Then came the long-awaited moment. We started first grade at the three local schools and at various other points in the surrounding district.

Those first five years of grade flew by so fast we hardly noticed them. Remember the Douglas school fire chute? (And how your shoes flew off at the bottom?) Down at Lincoln was the famous battlefield where all our snowball fights were held. At Logan, we all remember Mrs. Zink and her poor aim. Out at the country schools we had our playdays and gopher-drownings (during class time, of course).

In 1949, our membership organized to some extent at Logan Junior High. Remember the seventh grade water pistol fights? The sink in the desktop in the science room was filled to the brim with guns when "Principal Max" cracked down. And our eighth grade trip to Chicago? The Museum of Science and Industry will never be the same again! Then came "Meet Your High School Day." Most of all, this meant a day off from school. The nice seniors all opened the doors for us, and also gave helpful tips, such as how to find the elevators. After a thoroughly confusing morning of trying to remember all the rooms and all the different forms and slips, we gladly left to spend the afternoon loafing. However, we had seen enough of the school so that we waited anxiously through the summer until we could begin as freshmen.

One hundred thirty-four of us entered Princeton High School in 1952. For most of us the first few days were one vast disordered confusion. After we finally settled down, came "Thuse Day." We were all sore that night: sore arms from carrying books, sore legs from walking in from the country, sore noses from pushing pennies, and sore seats from drinking fountains.

Later in the year we held our first election. Some trouble was caused by the fact that we had elected two Danny McDonalds—one president and one vice president.

Then, after an all-too-fast summer, we found ourselves sophomores. The most memorable events

of the year settled around our basketball team. Spirit was running high, especially during the tournaments. All of us remember the State Tournament

Of course, there was the sophomore banquet and dance. Miss Ashdown sacrificed plane geometry for a day in order to brush us up on our manners. I don't think we disappointed her too much!

Another summer, even shorter than the last, and we were juniors. Juniors! Upperclassmen! Now we could make the freshmen carry our books and push pennies, as well as have all the other rights of upperclassmen.

Under the guidance of Miss Ashdown, we started to raise funds by selling peanut crunch. We got enough to stake us to a class party in early spring and to pay our share of the prom. The prom was, of course, one of the high points of the year. Everyone looked "sharp" in formal clothes, even though the hot weather wilted everything.

Then there had been the Junior Class Play, "Our Town." The townspeople agreed that it was one of the best in years. And we "old timers" had gone down to Champaign again. Since we knew the town, we had more fun than the year before. And, of course, the team provided another thrill, returning home with the fourth place trophy.

Then came the big year. After a long wait—or was it short—we became Seniors. The activities piled up furiously! First and foremost, we had to start to raise money for our annual; so we sponsored many projects, most of which were successful to a high degree. We'll always remember the Cleanup Days and the Carwashes, selling peanut crunch, candy, fire extinguishers, and note paper. Nearly everyone contributed to our candy and bake sales held at Bowman's. As each project was completed, all participants signed a "tiger" in Miss Ashdown's room. These had been used as posters for advertising our projects.

The Senior Class play, a comedy based on the antics of Henry Aldrich, was a lot of work but a lot of fun, too, especially for those of us in the cast. Remember the coke party Mr. Gartner threw backstage?

Then came those last hectic few weeks. Caps and gowns, finals, addressing invitations, and renting dinner jackets. Finally Baccalaureate, Commencement, and the Prom, one following on the heels of the other. Then the realization struck us—we were through!

As we leave the big brick building on Euclid Avenue, we wish to thank all of our teachers, from kindergarten to grade twelve.

Our special thanks go to our tireless Senior Class Adviser, Miss Ashdown, the greatest member of the Class of 1956.
